NOTICE TO USERS OF IRRIGATION WATER.

The Ontario Waterusers Association desires to draw the attention of members and others to the fact that the maintenance fee for irrigation of lots is required to be paid before the water is used the second time and that the Watermaster has instructions to control the water supply accordingly.

Maintenance for lots having water-right is \$1.50 per lot, for lots without water-right \$2.00 per lot.

Owners must have waterright for lots irrigated. The Association has tapped the Nevada waste ditch North of the cemetery and while a supply can be had in that way those garden-

ing lots owned by some one else will fit "maintenance only" users. Payments may be made at office of the President of the Association, 8. (that source of supply falls, the members of the Association (waterright F. Taylor. owners) cannot be deprived of their water from the usual source to bene-
