Three years I have been in the old Zimmerman building. **RESULT NO. 1,** The growth of the business compels me to have a sale or move. Because of the past patronage I am going to give my cusumers and friends the benefit of low prices and not move. I am going to cut my prices so that you can share my good fortune with me, and I will not move, but stay where you will always be sure to find me, and get the best for the least I can sell it for. Giving you **RESULT NO. 2,** the most for your money at all times.

Yours for the future success of our County, City and Community.
