\$50,000 Owners' Contest to Follow Maxwell's Economy Triumph of May 23rd

Hundreds of Maxwells on May 23rd made good our claim that a Maxwell will go further on a gallon of gasoline than any other 5-passenger car—now, from June 16th to 30th, we expect 40,000 Maxwells to make as good or a better showing than was made on historic May 23rd

May 23d was Maxwell Gasoline Economy Contest Day all over the United States and Canada.

Fifty Maxwell cars went a total of 1,983.6 miles on a total of 50 gallons of gasoline.

The average gallon mileage of those cars was 39.67. And these were privately owned Maxwells—in actual daily use.

Those 892 cars averaged 27.47 miles per gallon of gasoline. More wonderful records are being received daily.

We could rest our laurels on this great triumph—but we don't intend to do that.

\$50,000 in U. S. Liberty Bonds To Be Given Away Next Time

Now we're offering \$25,000 in U. S. Liberty Bonds as prizes to the 500 Maxwell owners who make the best mileage on one gallon of gasoline. Every Maxwell owner has an even chance to win a bond.

The other half of the \$50,000 in Liberty Bonds is to go to dealers for helping us with this stupendous undertaking.

If you own a Maxwell your chance to win a Liberty Bond is as good as anybody's.

The contest is open to women as well as men Maxwell owners.

See us at once for details of the contest.

Enter this history-making competition now. Win a Liberty Bond.
