Studebaker QUALITY SUPREME

Every ounce of material that goes into a Studebaker wagon or buggy has the "Studebaker Reputation" behind it. Over fifty years' experience has taught us how to make vehicles that last. Every axle—every spoke—every hub—tire and bolt is made by experts. The result—the finest wagons possible to produce—has made the Studebaker the Largest Vehicle Factory in the World. The absolute reliability of the Studebaker line appeals to all careful buyers, those who want honest value. We want you to visit our store the first time you have a chance; let us tell you more about the Studebaker line and show you some of these splendid vehicles.

A GIGANTIC COLLECTION

Re note, barbaric and unpeopled lands, from the frigid zones of the poles to the hot climes of the Equator, forest fastness, impenetrable jungles, burning deserts, mountain crags and the broad plains have contributed profusely and have yielded their Strange Members of the Animal World in a COMPLETE GIGANTIC COLLECTION that has never before been seen since the historic deluge, when the Patriarch Noah assemble his grand collection in the Ark, to preserve from the pluvian downpour, the Birds, Beasts and Reptiles of the earth. Object lessons in animated nature brought to you very soon. All earth's treasures, embracing Animals famed for their ferocity, rarity or beauty, which includes the finest specimens alive of the huge blood-sweating Hippopotami, Stately Giraffe, Monster Elephants, Ferocious Carnivorous Lions, Treacherous Tigers from India, Beautiful Striped Zebras, and all of the strange monsters of the sea, jungle and forest. Strange forms of life from remote lands. Birds of bright, brilliant plumage from the islands of the South, and thousands of other strange and curious animals.

COMFORT

Cook in a cool, comfortable kitchen this summer. An oil cook stove is comparatively inexpensive to buy and it will soon pay for itself in comfort and lower fuel expense. Meals in a jiffy, and a cool kitchen in summer.

Bakes, broils, roasts, toasts. Better cooking because of the steady, evenly-distributed heat. More convenient than a wood or coal stove for all the year 'round cooking, and more economical.

The long blue chimneys prevent all smoke and smell.

In 1, 2, 3 and 4 burner sizes, with or without ovens. Also cabinet models. Ask your dealer today.

THE UNIVERSAL INSTRUMENT

Thirty years ago the telephone was a luxury. Today, through personal initiative and private enterprise, it has become a necessity within the reach of everybody. Where once a business had but one telephone with a limited talking range, today that business has service with a range three-quarters of a continent broad, and every branch of every business is linked to every other by an intercommunicating telephone system.

The telephone has earned its responsible place and there are now 8,000,000 Bell telephones in this country, over which go 26,000,000 talks daily.

Every Bell Telephone is a Long Distance Station.
