It's a time to pull together to win. We cannot win if we fail to conserve our food resources. To do this effectively we must know what needs to be done and how. No one in this community is so well informed upon this subject as our County Agriculturist W. W. Howard. On Food Sunday, July 1st, Mr. Howard will deliver an address upon the demands of our times for food production and conservation. Don't miss it, at the Congregational church next Sunday morning at 11:00 o'clock.
