

### CONVENIENCE

All the convenience of gas. No waiting for the fire to burn up. Meals in a jiffy, and a cool kitchen all the time.

Bakes, broils, roasts, toasts. Better cooking because of the steady, evenly-distributed heat. More convenient than a wood or coal stove for all the year 'round cooking—and more economical.

The long blue chimneys prevent all smoke and smell. In 1, 2, 3 and 4 burner sizes, with or without ovens. Also cabinet models. Ask your dealer today.

## THE UNIVERSAL INSTRUMENT

Thirty years ago the telephone was a luxury. Today, through personal initiative and private enterprise, it has become a necessity within the reach of everybody. Where once a business had but one telephone with a limited talking range, today that business has service with a range three-quarters of a continent broad, and every branch of every business is linked to every other by an intercommunicating telephone system. The telephone has earned its responsible place and there are now 8,000,000 Bell telephones in this country, over which go 25,000,000 talks daily.

Every Bell Telephone is a Long Distance Station. Malheur Home Telephone Co.
