### UNCLE SAM WANTS 10,000 STENOGRAPHERS AND TYPEWRITERS AT ONCE

Washington, D. C., Oct. 24—Now that Uncle Sam has the young men of the country in training for military service, he finds that he needs 10,000 typewriter operators and stenographers and typewriters, both men and women, for the departments at Washington. The Civil Service Commission has notified all of its 3,000 boards of examiners that they should put forth their best efforts to secure these urgently needed workers. While examinations are now held weekly in 450 cities, the commission states that arrangements will be made to have an examination held at any accessible place where a small class of applicants can be secured. The entrance salaries range from \$1,000 to \$1,200 a year. Promotion is reasonably rapid to those whose services prove satisfactory. No appointments can be made to these or other positions in the Federal classified civil service unless authorized by the Civil Service commission under the civil service law. Any information to the contrary is unauthorized. This is a splendid opportunity to serve your country. Full information may be secured from the secretary of the board of civil service examiners at the postoffice in your city.

### HOW TO KNIT HELMET FOR THE SOLDIER BOYS

For the benefit of many ladies who are interested in making knitted garments for the soldier boys but who have not the instructions we give the directions as they are sent from headquarters to the local Red Cross Society.

To make the helmet one hank of yarn (1/4 lb) and 4 Red Cross needles No. 2 are required. A number 2 needle is 175-1000 or 7-40 of an inch in size.

Cast on 56 stitches loosely. Knit plain for eight inches for front piece and leave on extra needle. Knit another piece to correspond for back. These pieces must be at least nine inches wide. Slip the stitches of both pieces onto three needles, arranging for last two stitches of back piece to be on beginning of 1st needle with 38 stitches of front piece added (making 40 on 1st needle).

Divide rest of stitches on other two needles; 36-36.

Beginning with 1st needle, knit 2, purl 2 for 6 inches. Then on 1st needle knit 2, purl 2 for 18 inches. Bind off 22 stitches for face opening. (Try to keep same arrangement of stitches on needles for further directions). Knit 2, purl 2 forward and back on remaining 90 stitches for 1-2 inches, always slipping first stitch. Cast on 22 stitches loosely to complete face opening, and knit 2, purl 2 for 2 1-2 inches (adjust stitches by slipping 3 from end of 3d needle to 1st needle, making 42 on 1st needle).

Knit 1 round plain. Knit 2 stitches together, knit 11, knit 2 stitches together, knit 1. Repeat to end of round. Knit 4 rows plain. Then knit 2 stitches together, knit 9, knit 2 together, knit 1. Repeat to end of round. Knit 4 rows plain. Continue in this way, narrowing on every fifth round and reducing number of stitches between narrowed stitches by 2 (as 7, 5, 3, etc.) until you have 25 stitches left on needles. Divide on 2 needles, having 14 on 1st needle and 14 on the other, and finish the same as for the toe of a sock.
