CHURCH NOTES

CONGREGATIONAL CHURCH.
CONGREGATIONAL ACTIVITIES—
 Two Liberty Bonds.
 Encouraged by the hearty response to the suggestion that the church buy Liberty Bonds the treasurer, Mr. J. T. McNulty, in the name of the church has made application for two Liberty Bonds. Without a canvass being made \$70.75 has already been subscribed by members and friends of the church. This will doubtless avail themselves of this opportunity to do a good turn for both church and country in one act. HERBERT LIVINGSTON, Pastor.

W. C. T. U. MEMBERS, ATTENTION
 Please economize on your household duties and meet every Tuesday afternoon to work for the soldiers and sailors on the second and fourth Tuesdays of each month, go to the Red Cross Rooms, they need your work; on the first and third Tuesdays meet with the W. C. T. U., their work is equally as important. Next Tuesday November 6 meet with Mrs. Frank Draper across the track.
 The days will soon be cold and you will be more at ease if you know you have done "your bit" to make the boys at the front more comfortable. The days are growing shorter, so let us meet as soon after noon as possible and bet a full half days' work done.
 The "housewives" and "Comfort Bags" for the boys whose mothers are members of the W. C. T. U. will be filled and ready for the mothers at the next meeting November 6. All interested are invited.

THE HONORS OF ATROCITY.
 The Sultan of Turkey has graciously conferred on the German Kaiser the diamond star of the Iftihar Order, Turkey's highest war decoration, and the Kaiser has decorated the Sultan with the star and chain of the Hohenzollern Order with diamonds.
 The honors are even—the hero of the Belgian and Lusitania murders honors and is honored by the hero of Armenian massacres. No one will question the deserving of the honors or the respective fitness of the mutual donors and recipients.
 But to the intelligence and conscience of the world a Liberty Loan button, showing that an American citizen has done his or her part in support of our Government, is a vastly more honorable decoration than the diamond orders of the Sultan and the Kaiser. It signifies only a simply patriotic duty done; but the diamond orders stand for colossal infamy and murder.
