**WHITLOCK REVEALS
PAN-GERMAN POLICY**

U. S. Minister to Belgium Will Tell His Story of That Country in Sunday Journal.

The tragedy of Belgium has awakened the world to the full significance of Pan-Germanism—that over-ambitious policy of territorial and economic aggrandizement that reckons not with treaty obligations and human considerations in its accomplishment.

Belgium was the quickest highway to France. Therefore, Belgium must be sacrificed regardless of Germany's previous guarantee of Belgium neutrality for, declared the Prussian machine, a treaty is only "a scrap of paper" and "necessity knows no law." For more than four years the United States has been represented at the seat of the Belgian government by Brand Whitlock as minister. Mr. Whitlock became famous in this country during the four terms that he served as Mayor of Toledo, Ohio, when his broad understanding of civic problems was evidenced in his writings.

No more suitable man could have occupied the Belgian legation during this critical period of Belgium's tragic experience which will be published serially in The Oregon Sunday Journal beginning February 17, is the biggest story that the war has produced.

SERVICE FLAG PRESENTED.

An interesting feature of next Sunday morning service at the Congregational church will be the presentation of a service flag bearing seventeen stars, each representing a member of the Sunday school or church who is now in the service of his country. This flag will be presented on behalf of the Sunday school by Superintendent J. C. McCright. Special patriotic music. A special invitation is extended to fathers and mothers of army boys.

A SAFE WAGER.

Dear Madam: It would be a safe wager to say that if you and your friends saw Miss Marguerite Clark in "Miss George Washington," you were charmed with this exquisite photoplay.

Miss Clark is now about to appear at the Dreamland theatre on Friday and Saturday, Feb. 15 and 16, in "Bab's Diary," the charming story by Mary Roberts Rinehart of "Bab, the Sub-Deb."

This is probably the first time that the idea of filming a diary, page by page, has been adopted, and one of the charming features lies in the doll spelling and naive charm of Bab's own script.

**OFFICIAL WAR PICTURES AT
DREAMLAND EVERY TUESDAY**

The New York Herald said:

"The Retreat of the Germans at the Battle of Arras, the new war films being shown at the Strand, are unusually interesting. Most of the view of the retreating German troops were taken from an aeroplane. The forces that cause the enemy to retreat are displayed fully—British guns of all kinds and calibers that batter supposed strongholds into dust heaps. Infantry charges, the terrific 'Tanks' in action, rolling relentlessly over German defenses; the advance of the artillery under difficulties and the work of aviators, are shown.

Makes Clubbing Arrangement With

The Oregon Farmer

Offers Unusual Opportunity to Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with THE OREGON FARMER whereby any farmer or fruitgrower, who is one of our regular subscribers and who is not now a subscriber to THE OREGON FARMER, will be entitled to receive THE OREGON FARMER in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity, but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
