STOCK MARKET STEADY WITH RECEIPTS LIGHT

Demand For Calves Is Feature—Hogs Continue Good With Prices Rising.

North Portland, Feb. 26.—Today's market opened with very light receipts in all lines, the strength of yesterday's market continuing.

Steers of best classes are selling fully steady with last week's sales. Cow stuff, however, is a little slow and, in some instances if lower, especially for medium and poorer classes. There has been quite a sprinkling of the very good stuff on the market with a preponderance of mediocre stuff.

The calf market is strong, too strong in fact for producers who ship their calves dressed.

The hog market is very good, fully 25c to 35c above last week's market. Hogs sold as high as \$17.00 to \$17.10 for strictly prime offerings. The market is ruling strong.

The sheep market is steady. Receipts are light and the demand fair. No change in prices.

Cattle. Medium to choice steers, ers and feeders, \$6.50-\$9.50. \$10.25-\$11.00; good to medium steers, \$9.25-\$10.25; Com. to good steers, \$8.00-\$10.00; choice cows and heifers, \$8.00-\$9.50; Com. to good cows and heifers, \$6.75-\$8.15; danners, \$4.25-\$6.25; bulls, \$5.00-\$5.00; calves, \$7.50-\$12.00; stock-
