FOR UNITED STATES SENATOR

R. N. Stanfield. FARMER, STOCKRAISER AND BUSINESS MAN

A man who does things.
Who has accomplished something.
Who knows how to work and get results.
Who knows Oregon's needs, requirements and resources.
Who has the experience, knowledge and business understanding.
Who, as a state legislator for six years, has already done much for Oregon.
Whose Republicanism is unquestioned and whose ability has been proven.

I hereby announce myself as a candidate for the office of Sheriff of Malheur county, Oregon, subject to the will of the voters of the Democratic party at the primary nominating election to be held in Malheur county, State of Oregon, on the seventeenth day of May, 1918.

That person who wilfully hoards any necessities shall, upon conviction thereof, be fined not exceeding \$5000 or be imprisoned for not more than two years, or both. Necessities shall be deemed hoarded when either held, contracted for, or arranged for by any person in a quantity in excess of the reasonable requirements for use and consumption for himself and dependents for a reasonable time.—U. S. Food Administration Act.

BOOST FOR GALLAGHER NYSSA O'K'S CANDIDACY

The Journal wishes to voice its hearty approval of the tentative candidacy of P. J. Gallagher for the legislature. No better man could be chosen to represent this section in the state legislature and the hearty endorsement of his candidacy by practically the entire press of the county shows that his qualifications for this position are generally recognized. It is expected that a formal announcement of his candidacy will be made in a few days.—Journal.

Thus does our Nyssa contemporary place its approval on the candidacy of City Attorney Gallagher for the legislature. That makes it almost unanimous, so far as the papers are concerned over the district, and personal letters, too, indicate that the folks want Pat to go to Salem for the next session.

High School Notes

The N. N. Club held an invitation party Friday evening, March 1st, at the home of Dorothy Turner. At that time the club accepted as members Lola Howser, Margaret Oram, Delta Hill and Gladys Overstreet. The evening passed pleasantly with music, games and various initiation stunts after which delicious refreshments were served by the hostess and her mother, Mrs. D. A. Turner. The N. N.'s look forward to many such enjoyable times in the future.

Rev. Livingston of the Congregational church addressed the assembly last Thursday morning on the ministry as a profession. The course of lectures on the different professions is proving interesting and instructive.

Last Friday morning P. J. Gallagher visited the High School to enlist the help of the students in making the coming Chautauqua a success. Many of the students are selling tickets and all are doing their best to advertise and boost the Chautauqua.

Frank Dorman is back in school again after a siege of "liberty" measles.

Following the usual custom of the O. H. S. Seniors will each write a thesis of fifteen hundred words or more? The subject must be approved by the faculty.

Last Saturday afternoon school was dismissed to give the students and members of the faculty an opportunity to attend the Red Cross auction.

John Odell, a member of the sophomore class, donated a beautiful bride to the Red Cross. The ladies thought the bride too good to be sold at auction, so suggested that some of the high school girls sell chances on it. In this way fifty dollars were secured for the Red Cross.

This week the girls of the Domestic Art department have a display of the garments they have made for the Red Cross in the window of Rader's store. The garments are beautifully made and reflect credit on the girls and their instructor.

The Ovaches, the High School annual, is well under way. The pictures have all been taken and some of the engravings are arriving. The Argus has been awarded the contract for printing the book.

S. M. Boucher, chairman school committee of the local Red Cross, reports the following as enrolled as auxiliaries: Owyhee, Mrs. W. Guy Thompson; Big Bend, Miss Martha Overstreet; Moore's Hollow, Pearl Wallace; White Settlement, Mr. and Mrs. W. J. Roberts; Cairo, Mrs. E. B. Conklin. The above schools and the Ontario public schools have enrolled 100 per cent as members of

Last Thursday Dr. Weese gave a talk to the O. H. S. students along the lines of medicine and nursing as a profession. His talk was interesting as well as beneficial to all who heard it, whether or not they were thinking of taking up either of these occupations.

METHODIST CHURCH NOTES.
10:00 a. m.—Sunday School.
11:00 a. m.—Preaching.
Evangelist Osborn of Seattle will be present and will preach at both services. In fact he will fire the opening guns for the big "drive" against sin that is now going on in this community. You will want to witness the start, so be on hand at 11 o'clock.

Perils We Overlook.
Of the many perils that beset the average individual one of the most serious is a common cold. It is not the cold itself that imperils our well being, but the serious diseases which it leads to. Consumption usually start with a cold, or a succession of colds. It is a germ disease, and germ diseases are most likely to be contracted when you have a cold. A child that has a cold is more likely to contract diphtheria or measles than one who has not. For this reason every cold should be regarded as a peril and gotten rid of as quickly as possible. Chamberlain's Cough Remedy will help you throw it off. Try it. Adv-mar

MAKES CLUBBING ARRANGEMENT WITH THE OREGON FARMER

Offers Unusual Opportunity To Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with **THE OREGON FARMER** whereby any farmer or fruit-grower, who is one of our regular subscribers and who is not now a subscriber of **THE OREGON FARMER**, will be entitled to receive **THE OREGON FARMER** in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
