YOU COOK YOUR FOOD—WHY NOT YOUR TOBACCO?

YOU know what broiling
does to steak, baking to a
potato—and toasting to bread.
In each case flavor is brought
out by cooking—by "toasting."
So you can imagine how
toasting improves the flavor
of the Burley tobacco used in
the Lucky Strike Cigarette.

THE UNIVERSAL INSTRUMENT

Thirty years ago the telephone was a luxury. Today, through personal initiative and private enterprise, it has become a necessity within the reach of everybody. Where once a business had but one telephone with a limited talking range, today that business has service with a range three-quarters of a continent broad, and every branch of every business is linked to every other by an intercommunicating telephone system. The telephone has earned its responsible place and there are now 8,000,000 Bell telephones in this country, over which go 26,000,000 talks daily.

Every Bell Telephone is a Long Distance Station.
