The Celebrated

## HOOSIER

KITCHEN CABINET

Only 30 to be Sold

THE Hoosier Company has just served us with notice of a general raise in the price of Hoosier cabinets, wholesale and retail. We have ex-bought at the old-time price. We could put the new price on them and make an extra profit on every one.

But instead of that, we are going to give our customers this unexpected saving. We have lined up our entire stock of Hoosiers to go on sale tomorrow at the old low price!

When we open our doors, the first 30 women who come in and pay \$1 will get them. Then—the minute this allotment of Hoosiers is taken—THE SALE WILL END!

### Special Terms of Sale

Pay only \$1 when you pick out your Hoosier.  
Pay the balance \$1 weekly—only 5c a meal.  
Your money back if you are not delighted.  
Doors are open at 8 a.m. tomorrow—close at 9 p.m.  
Sale ends the instant 30 Hoosiers are gone.  
No Hoosier orders accepted by telephone.

Because it is the largest and strongest maker of cabinets in the world, the Hoosier company has been able to the last to keep its prices down. Rising costs of labor and raw materials have finally forced the maker to announce a general raise. But even at the increased prices, no other cabinet will be able to compete with Hoosier values.

At the old low prices, we offer in this sale—there's never been a bargain to equal them.

Come early—be one of the lucky "thirty."
