Mr. and Mrs. Van Court of Boise motored down and spent Sunday with Mr. and Mrs. E. H. Barcus.

Miss Clarice Canfield returned Sunday morning from Salt Lake after finishing a term at the business college there. She intends to take a slight vacation before accepting a business position.

Little Marjory Kroessin, the small daughter of Mr. and Mrs. Kroessin, who has been seriously ill for some time, is at last able to be up and around again.

John Cochrane of the Mountain States Telephone is in Ontario this week from Boise repairing the underground cable that goes under the track and connects the Eastside telephone system with the main part of town. The cable has been out of commission for several days, thus severing all communication with that part of the city over the phone. It will probably be some time before connection is again established as the break will be hard to locate and hard to mend.
