Insure Your Business Against Prussian Piracy

Buy a "Liberty" Policy

You have fire insurance—life and accident insurance—indemnity insurance—to safeguard your business.

But there are other policies you must have for your own protection—policies of insurance against the Kaiser, whose power is the greatest peril and the greatest force of destruction in the world today.

Liberty Bonds Are the Best Policy

Every Liberty Bond you buy is a policy of insurance against the destruction of your freedom, your happiness, your home, and your livelihood. You cannot have too much of that kind of insurance. France and Belgium and Serbia and Poland show what Prussian militarism would do to the United States if we should fail to crush it.

Lend to Your Utmost for Victory

Money is the vital factor in the winning of this war. You must lend more than before. The fourth Loan is larger; the obligation on each of us is greater.

SCHOOLS' EXHIBITS SHOW FINE WORK

East and Westside Schools of Ontario Closely Matched—Owyhee and Nyssa Schools Demonstrate Sewing Ability.

The displays from the various schools of the county are making a good showing at the Fair. Of the smaller schools that have booths there Owyhee has the largest number of things on exhibition and as an addition to their regular display they have articles from the Owyhee Junior Red Cross.

In the Ontario booth the contest between the East and Westside schools bids fair to be decided in favor of the former as a splendid showing is made by the pupils there.

Weaving and basket making form a principal part in the East side exhibition, and the drawings are also remarkable considering the ages of the artists. The high school pictures of various departments and also of the high school cadet are the center of attraction in that division.

The Boys and Girls' Industrial Club work is still taking a foremost part in school work as shown by the exhibits from the clubs. Pictures, note books, canned products and sewing are on exhibition in this department. The Nyssa and Vale schools are going to dismiss on Thursday and Friday to attend at the Fair.
