Enlist Your Dollars Until the War IS WON!

OUR boys in the army and navy have consecrated their lives to the winning of the war. They are in the service of the nation until victory is won. Enlist your dollars in their support by buying Liberty Bonds. Make the enlistment term of your dollars equal at least to the period of service of our gallant sons.

Hold your Liberty Bonds. Don't exchange them for merchandise or for other securities which may be worthless. Don't sell them except under pressure of necessity.

Keep them in a safe place or have them registered in your name.

Hold fast to your Liberty Bond to enable our boys to hold fast to their trenchments in France and to push the Huns across the Rhine.

Official Statement of Seven Great Welfare Organizations.

Citizens of Oregon, in the week of November 11-12, will respond to the call of the United War Work Campaign for funds to make happy and effective the fighting men of the Nation. That the citizens will uphold the commonwealth's notable record in doing its share to win the war is taken for granted, once the needs are understood.

Oregon's quota in the joint drive of the seven great organizations doing war service work is \$776,000. President Wilson authorized this united drive and named the participating bodies. The purposes for which the funds are needed and to which they are dedicated are vital to the war's success.

The Y. M. C. A. has more than 2000 huts in the great battle zone and is ministering to the boys overseas, in trench and camp, leaving undone nothing it can do to help them. In America the "Y" is in every camp and cantonment. It is with the boys "crossing over" and, at request of the War Department, has recently joined in the task of instructing selectives even before they are called.

War work of the Y. W. C. A. is thus outlined by Mrs. William MacMaster, state chairman:

"Already we have in this country 2,000,000 women doing actual war work, while another 2,000,000 have released men for service by undertaking their work. To the Y. W. C. A., 'the best big sister in the world,' has been committed by the government and military authorities the serious responsibility of directing the thought, creating the environment and furnishing the material needs of this army of girls. Already 165 hostess houses have been opened, War Service Clubs organized, the Patriotic League created, nurses sent where needed and now we are asked to furnish emergency housing for thousands of girl war workers."

John W. Kelley, associate drive director, says of the Knights of Columbus:

"Knights of Columbus halls are in operation in all cantonments, training camps and naval stations in the United States and the halls are also established with the American Expeditionary Forces in France, Italy, Russia and England. The motto is 'Everybody Welcome,' service being given irrespective of race, creed, or rank. Millions of cigarettes, pipes, bouillon cubes, gum packages and tons of chocolate have been given free to the soldiers overseas. One of the specialties is the promotion of athletics and a considerable item in the budget is for baseball equipment, boxing gloves, etc. In the war zone the troops are followed with motor trucks which are virtually traveling bazaars, fully stocked with athletic goods, stationery, cigarettes, and the like."

Needs and activities of the Jewish Welfare Board, explained by Ben Seligson, are:

"In our 2000 the number of our field representatives has grown from 10 to 212. Now we are faced with the demand for 400 additional workers in this country and 100 overseas. The money going into our fund pays necessary expenses and salaries, furnishes Bibles and prayerbooks by the thousands and letterheads and envelopes by the million, and provides camp, educational and recreational activities for the fighters, both here and abroad."

"War Camp Community Service," explains Emory Olmstead, state chairman, "developed from the commission created by the War and Navy Departments, first known as the Fostick Commission. The community is its particular field and thousands of workers are assisting the towns in caring for visiting soldiers and sailors, providing wholesome amusement and clean recreation and surrounding the camps with hospitality."

"Factions of the American Library Association," says William L. Brewster, state chairman, are "to provide books and reading matter to the soldiers and sailors through co-operating agencies and directly." Thirty libraries built in 1917 have been provided, and 3,700,000 donated books distributed; 1,000,000 books and tons of magazines sent abroad; and 600,000 surplus military technical books bought and given the men."

These are some things the Salvation Army does, according to O. C. Bortzmeier, state chairman:

"On lines of communication our huts are open day and night. Then, following their methods, our men and women go right to the trenches and distribute appropriate, coffee, doughnuts and pies. Sixty per cent of the 1000 workers are women. We have now 703 huts and 60 ambulances in service. In the past few months aid has been given the Red Cross in sending abroad 100,000 parcels."

That good Gravely taste!

Real Gravely is the common-sense chew for men. It is economical. A man gets his tobacco satisfaction out of a smaller chew and fewer of them. The good Gravely taste lasts a long while. Two or three small squares of Real Gravely stays with you

longer than a big hunk of ordinary plug. Each piece is packed in a pouch. These are the plain facts about Gravely Plug Tobacco.

It goes further—that's why you can get the good taste of this class of tobacco without extra cost.
