

## His Mother Needed Money -and She Got It!

N American soldier hurries along the street of a shell-torn village, keeping close to the shelter of the crumbling walls, and runs up the steps of a battered chateau.

He climbs to a room where sandbags are piled high to the ceiling. Behind a rough counter stands a man of middle age-a man with an emblem on his arm and a smile on his face.

"In a hurry this morning, buddie?" he asks.

"You bet I am," pants the soldier. "We're going into the trenches at noon."

"Can I help you?"

The boy thrusts one hand into his pocket and with the other points to a sign on the wall. It reads: - "SEND YOUR MONEY HOME -ASE THE SECRETARY HOW.

'Can I send this to my mother?" he asks, and draws out a roll of French bills. "She needs it."

"Of course you can," says the secretary. He counts the money carefully-twice-and then does a little figuring.

"That makes \$84.60 in American money."

"And will you see that my mother gets it?" "We will," is the answer. "Til give you this receipt and I'll earest headquarters. They will forward it to Paris, and Paris will tell New York to mail your mother a check for your \$84.60."

"How much will it cost me to have you do that?"

The auswer is it won't cost him one cent. His mother will get the whole \$84.60. Every week the War Work organizations are transmitting more than half a million dollars from the boys over there to the home folks over here.

## Why you should give twice as much as you ever gave before!

The need is for a sum 70% greater than any gift ever asked for since the world.

The Government has fixed this sum at \$170,500,000.

By giving to these seven organizations all at once, the cost and effort of six advantages is saved.

Unless Americans do give twice as much as ever before, our soldiers and re may not enjoy during 1919 their:

From the time your fighter starts for a cantonment until he reaches a front-line dug-out the seven organizations are ministering to him in big ways and little ways, to take the worries off his shoulders and to carry cheer and comfort to him. One aim .- one need-now, altogether!
