## Enlist Your Dollars Until the War IS WON!

OUR boys in the army and navy have consecrated their lives to the winning of the war. They are in the service of the nation until victory is won. Enlist your dollars in their support by buying Liberty Bonds. Make the enlistment term of your dollars equal at least to the period of service of our gallant sons.

Hold your Liberty Bonds. Don't exchange them for merchandise or for other securities which may be worthless. Don't sell them except under pressure of necessity.

Keep them in a safe place or have them registered in your name.

Hold fast to your Liberty Bond to enable our boys to hold fast to their entrenchments in France and to push the Huns across the Rhine.

## OREGON NEWS NOTES OF GENERAL INTEREST

Principal Events of the Week Briefly Sketched for Information of Our Readers.

The adjourned annual meeting of the Grand Commandery of Oregon of the Masonic order will be held in Salem December 2.

With a loss estimated at more than \$30,000, the flour mills at Pilot Rock were burned early Friday by a fire that started from unknown causes.

Benton county held its first annual corn show last week at Corvallis under the direction of the county farm bureau, with County Agent Kabel in charge.

The assessed valuation of Clackamas county's property is \$23,572,515, exclusive of the property of public service corporations. The increase amounts to \$343,070.

Oregon was the only state in the western division to attain its quota of 150 per cent in the united war work drive, according to State Director Orlando W. Davidson.

Victor J. McCone, formerly secretary for the state socialist party, was drowned at Portland when he drove his automobile off the approach to the Sellwood ferry into the Willamette river.

The residents of Evans Creek valley in the north end of Jackson county, have voted to incorporate the entire valley into an irrigation district, and an early survey will be made of the project.

A statement issued by the Treasury department shows that in total sales of war savings and thrift stamps to November 1, Oregon stands sixth in rank in sales per capita and also sixth for the month of October.

Domestic use of powdered sugar, for some time past restricted solely to commercial manufacturing and baking, is now permitted, according to official advice received by W. B. Ayer, food administrator for Oregon.

The state text book commission will make its selection for books for schools of the state next June, the selections to continue for another six years. Under the law the commission selects these books each six years.

Extension schools in dairying, which will cover the subjects of breeding and feeding dairy cattle, will be held in Ontario, Malheur county, and at Halfway and North Powder, Union county, the first week in December.

In a complete check made on wood ships building in the United States a statement from Washington shows that of 243 hulls launched up to October 31, the Oregon district was first, with 67, and of 92 ships completed Oregon led with 26.

Present and prospective removal of soldiers from the mills and logging camps is already creating a labor shortage on Coos bay and W. J. Rust, government agent, declared there was a call for between 300 and 400 men for mills and camps.

Only two fatal accidents are included in the 538 reported to the industrial accident commission for the week ending November 21, inclusive. These were F. Auterson, shipbuilder, Portland; Henry Frontong, terminal facility worker, Portland.

Dr. Marie Equi, a woman physician and member of the Industrial Workers of the World, was found guilty at Portland of violating the espionage act by referring contemptuously to American soldiers and by other alleged objectionable remarks in the I. W. W. hall.

Three entrances for fish coming up the Willamette river are now in existence at the Oregon City fishways, according to R. E. Clanton, general superintendent of state hatcheries. This improvement will treble propagation of spawn in the Willamette river, it is thought.

Saturday, December 7, was set as Fire Prevention day and the week of December 2-7 as Fire Prevention week for Portland by the committee in charge. The original day, October 9, was delayed until November 2 and then again delayed by the influenza epidemic.

So excellent is the fuel situation in Oregon that dealers are complaining because there is so little demand for their stock on hand and mines are complaining because the dealers are putting in so few orders, according to

Fred J. Holmes, federal fuel administrator for Oregon.

Plans for re-establishing a steamboat line on the Willamette river between Salem and Portland were discussed at a meeting held in Salem, when C. K. Spaulding of the Spaulding Logging company and Captain Enson of Woodburn made proposals for financing the enterprise.

Early risers at Baker recently were treated to the sight of one of the well known capitalists of the city out with a bucket of hot water and a scrubbing brush trying to efface the bright yellow paint with which his house had been bespattered, owing to his refusal to help support the united war work drive.

Warden Murphy's resignation as warden of the state penitentiary was received by Governor Withycombe Saturday, effective as of December 16, in line with the request of the governor. It is understood that ex-Sheriff Robert L. Stevens, of Multnomah county, will be on hand to take over the office by that date.

Deputy United States Marshal Frank Tichenor arrested Charles Zimmerman, C. E. Morris and O. W. Morris, of Powers, on bench warrants issued in the federal court at Portland. The men were apprehended in connection with ownership of an illicit still located several months ago in a cave near Powers by secret service men.

The public service commission has made an order increasing fares on the interurban electric lines running out of Portland, and recommended a reduction in service, so as to give the relief sought to meet the increased cost of labor and material. The order applies to the lines running to Bull Run, Casadero, Montavilla and Troutdale.

Plans are being completed for the collection of lady bugs to be scattered in grain and dairy lands of Oregon and Washington infected by plant lice. Great catches have been located from the Grater National forest to the Olympic mountains. One lady bug will eat about 200 plant lice a day. County agricultural agents will make the distribution.

Within the next 60 days the entire equipment of the spruce production division—timber, mills, logging railroads and a wealth of other material—will be advertised for bids and sold to the highest bidder. Estimates on the value of the property place it at approximately \$10,000,000. Demobilization of the spruce division will begin within a fortnight.

The Fellow who argued with Jim the other night

ran up against the shock of his life.

Jim knows tobacco. And before he got through, Jim made the fellow admit that Real Gravely tastes better and gives a satisfaction you can't get out of ordinary tobacco. A small chew of Gravely lasts so much longer that it costs nothing extra to chew this class of tobacco. It goes further—that's why you can get the good taste of this class of tobacco without extra cost.
