HOW ABOUT THIS PAT?

We know that our own Pat Gallagher did not introduce this bill but we pass this one to him for explanation and advice:

To the Editor, Ontario Argus:

In looking over the list of bills passed by the Legislative Assembly, the writer observes that H. B. 257 purports to amend Sections, 7100 and 7101 L. O. L. Now it is a fact that Section, 7101 L. O. L. was repealed by implication in the year 1878, this was decided by the Supreme Court of Oregon, in the case of Ellis v. Abbott 69 Or. page, 239. It appears that it would be well for some of the members of the legislature to familiarize themselves with existing Laws before introducing bills.

Chronic Constipation. There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought this condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets affords a gentle movement of the bowels that so hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation.

For the Children.

Too much care cannot be exercised in selecting a cough medicine for children. It should be pleasant to take, contain no harmful drug and most effectual in curing their coughs and colds. "DON'T CHANGE YOUR HUSBAND"

By Jeanie Macpherson

Sunday & Monday March 9-10

Her Husband Was No Beau Brummel

In "Old Wives for New" you saw the wife who grew "careless." In "Don't Change your Husband" the untidy, neglectful husband gets "his" Financial giants bowed to "The Glue King's" wishes, but he was so unkempt that his wife was ashamed to walk beside him. No wonder she sometimes walked with other men.

He "backed into" his unpressed clothes. She wore the most sumptuous creations of the Fifth Avenue modistes with a charm that was the envy of her exclusive set—a charm that attracted all men to her.

Staged with the luxury typical of Cecil B. DeMille and with a cast that includes Elliott Dexter Gloria Swanson, Sylvia Ashton and Theodore Roberts.
