## NOTED CHURCH MEN ADDRESS AUDIENCES

Chorus From Nazarene College at Nampa Delights Ontario Audiences—Appeal Made for Sufferers in Near East.

For two days this week, Tuesday and Wednesday, gatherings at the Nazarene church had the pleasure of listening to the messages delivered by two prominent workers of the church, General Superintendent of this district, Dr. John W. Goodwin, and Rev. S. C. Krikorian, an Armenian missionary.

The latter speaker devoted his address to giving graphic descriptions of the terrible havoc wrought on his people by the Turks, telling the story of the massacres of which he was an eye witness. His appeal for aid for these sufferers was eloquently touching, and brot generous response from his hearers.

Beside the speakers the audience had the pleasure of enjoying the music furnished by a selected quartet made up of students from the Northwestern Holiness College of Nampa.

## ROLLER SKATING RINK HAS FINE NEW FLOOR

Old Opera House is Renovated by New Owners and Fitted For Roller Skating and Dancing Pavilion.

Ontario now has an "honest to goodness" roller skating rink and dancing pavilion. The new institution is the result of the work done in the past few weeks by H. A. Daubenberger and Reese Jenkins who recently purchased the old Opera House and have remodelled it for this purpose.

The stage from which the Theopians were once wont to declaim their roles has been removed to enlarge the floor space. A new floor, and that of maple, will delight the roller skaters and dancers as well.

The formal opening of the pavilion will be held Monday night when a big St Patrick's dance will be given.
