SERVICE IN PERSONAL DIVISION USEFUL NOW

Sam Creem Busy Helping Ex-Soldier
Boys Get \$60 Bonus—Ontario's
Returned Soldiers Writing
for Funds.

You never can tell when the ex-
perience you had in the army will be
useful, is about the way Sam Creem
could philosophize these days when
he is busy making out bonus applica-
tions for boys discharged from the
army. Making out papers was Sam's
specialty at Camp Devens, when he
wore khaki.

Immediately upon notice in the
daily papers of the order that the \$60
bonus could be secured Mr. Creem
started one on its way, then helped
a friend to make his application, and
from that time on was doing a land
office business.

The Argus last night received the
following official bulletin from Ben
J. Brown of the County Draft Board
relative to the method of securing
this bonus, but at the rate Sam Creem
was working this week Ontario boys
will be cared for. Anyway if you
want help, let Sam do it. The follow-
ing is the bulletin:

Section 1406 of the Revenue Act
February 24, 1919, authorizes the
payment of a bonus of \$60.00 to of-
ficers, soldiers, field clerks and nurses
of the Army upon honorable separa-
tion from active service by discharge
resignation or otherwise. This bon-
us is not payable to the heirs or re-
presentatives of any deceased soldier.

Those who are discharged here-
after will receive on this bonus on
same roll or voucher upon which they
are paid their final pay.

Those who have been discharged
and have received their final pay with
out the \$60.00 bonus, should write a
letter to the Zone Finance Officer,
Lemon Building, Washington, D. C.,
stating their service since April 6,
1917, the date of last discharge and
their present address to which they
desire their bonus checks to be sent
and enclosing with this letter their
discharge certificate or military or-
der for discharge and both, if both
were issued.

Upon the receipt by the Zone Fi-
nance Officer, Washington, D. C., of
this information and the soldier's dis-
charge certificate, this officer will
cause checks to be drawn and mailed
to the claimants in the order in which
their claims were received by him.
The discharge certificate will be re-
turned to the soldier with the check.

It is estimated that at least one
million and a quarter persons have
been discharged from the service who
are entitled to the benefits of this Act
and while payments will be made as
expeditiously as practicable it will
manifestly take considerable time to
write and mail this many checks
