Regular Monthly Sales, Last Saturday of Each Month.

The student body of the high school is planning an inter-class Track Meet to be held some time in April.

The 8th grade basket ball team will play the Vale 8th grade team at Vale next Saturday night.

John Sullivan returned to school Monday after an absence of several weeks, because of an injury received during basket ball practice.

Eldon Madden returned to school Monday after an absence of a few days because of illness.

P. J. Gallagher addressed the assembled high school Monday in the interest of the Lyceum lecture to be given Saturday night in the high school assembly room by Strickland Gillilan. The students responded heartily to the call for their help in selling tickets for this number.

The Nut club entertained with another of their delightful dancing parties last Friday night in the Oregon Club rooms. The guests all reported a most enjoyable time.

HIGH SCHOOL NOTES

Ontario High School is going to have a Literary Society. That was the unanimous decision reached after a heated discussion at a student body meeting Tuesday morning. The nominations for officers were quickly made and the newly elected officers are: Paul McCulloch, president; Charlotte Claggett, secretary; and Roscoe Conklin, sergeant-at-arms. There will only be time for about four programs before the end of school and so these have been given over to different classes to carry out. The Seniors, therefore, on account of their age and wisdom will have charge of the first program which is scheduled to take place in two weeks.

Contrary to the usual procedure at such meetings everyone had something to say on the subject before it was put to a vote and evidently there is more pep in the high school than some lower classmen would have us believe. However, we only hope that we will not be disappointed in the future thru the lack of the same.

The Junior pennant, which was won in the interclass basket ball games, arrived Monday, and is now displayed in the assembly hall.

The Seniors are endeavoring to select their play now and it is expected that a decision will be reached soon in regard to the one they will give.

The boys basket ball team played the Fruitland boys Friday evening at Payette, bringing the laurels home with them with a score of 40 to 29. Gilbert Dean, one of the many stars on the local team, was in the line up for the night after having been absent since the Weiser game. This Friday the team will go to Vale and it is expected a much closer game will be played than that with Fruitland.

John Sullivan is back at school after an absence of many weeks due to an injury received in basket ball practice.

William Schweizer is another student who is again at his work after being absent on account of illness.

A new member of the Freshman class enrolled here the first of the week is Francis Reader who has been attending school at John Day.

Word was received last week from Martha Lambert at Jordan Valley, that she will be unable to return to school here for the rest of the term.

The grade school's boys' basket ball team is going to Vale Saturday night

where they will play the public school team there.

Last Friday being the close of the six weeks, many tests were given and some of the pupils are still wondering what their grades are. Among these tests, the one in typewriting probably caused the most commotion although most of the pupils made good speed records. The tests in history were also very severe.

Tests in silent reading, similar to those grading mental efficiency in the army and large schools, were given to the English classes Tuesday morning and afternoon. These particular ones were sent out from Kansas University and were used there for determining the standing of the new students.

Supt. Douglass received an answer a few days ago to a request for new equipment from the War Department at Washington, D. C., saying that the request would be granted. An order for fifty Kraggs-Jorgenson rifles has now gone forward and soon will be added to the equipment of the cadet corps.

Some of the boys of the high school are talking of an interclass track meet to be held some time next month. The matter has not yet been placed before the student body, however, but it is hoped that it will go through.

Equipment for two basket ball courts for the grade pupils has been ordered and soon will be put up on the grade grounds.

P. J. Gallagher gave a lecture before the class in commercial law last Friday which was much enjoyed by all the students.

To Be St. Patrick's Orator

Hon. P. J. Gallagher, that's proper now that Pat has been to the legislature, has been invited to deliver the oration at the celebration of St. Patrick's day which is to be staged at London.

"TOYS OF FATE" COMING TO DREAMLAND THEATRE SOON

"Toys of Fate," what are any of us but toys of fate? That's what a man says when he is "blue"—when things will not go right—when destiny itself seems to balk him in every effort. But, as Browning says:

"Sometimes the worst turns the best to the brave—The halcyon moments at end".

Well that is the way it is with Azah the fascinating gypsy princess in the "Toys of Fate," in which there seems to be no way out—when misery has taken possession of her soul—then comfort with its healing power revives and refreshes, and love gladdens her.

"Toys of Fate" which comes to the Dreamland March 21 and 22, is vivid, vital and dramatic. It is the story of a child of nature brought into contact with the ways of civilization. Azah suffers, rejoices and in the end finds happiness and a brilliant companion piece to "Revelation."

SHEEP SHEARING—Sheepmen, I have a five man portable plant, ready to go anywhere and shear large bands as well as small ones. Let me give you my terms.—Clarence Johnson, Ontario, Oregon. Adv.14-17*

Shoes of Discrimination

Style No. 362
Tan Kid, low heel, welt sole.

\$8.00

Style No. 361
Tan French Kid, welt sole.

\$10.00

WITH a growing foreign demand for American shoes and a scarcity of materials and skilled labor, there is more need than ever before for discrimination in the selection of your shoes.

We are particularly fortunate in our connection with Utz & Dunn, of Rochester, whose reputation for stylish and reliable footwear is nation wide.

The shoes shown here are but two of a careful selection of new shoes now on display.

Prices are low considering the unusual values.
