Replenish
The
Wardrobe

There is an unusual demand for gala clothes, even so early in the Spring—the old coats are gone forever.

The spic and span suits are the thing—suits the are widely different—they're naive, they're suave. Fashion demands that every woman should have a new wrap this season, and we are ready to place before you an assortment quite correct.

With all bans removed, designers have brought out the prettiest suits in years. Come in, try them on and make your selection.

New Wirthmor Waists at \$1.50

In Styles that are entirely new and in values truly matchless.

—There's great satisfaction in buying a Wirthmor Waist, for when ever you do, you're assured of getting the very utmost for your expenditure. Irrespective of market conditions the many great economies of the plan under which these waists are made and sold permit the makers to put into them greater intrinsic value; and this self-same plan insures Styles that are always new, correct, refined and appealing. If you have not been wearing the WIRTHMOR we suggest you make their acquaintance; you'll find them better than you would expect for the small sum they sell for.
