EVERYBODY WILL NOW HELP PAY WARS COST

Uncle Sam Plays Real April 1st Joke On Citizens—Ontario Stores Start Collecting Taxes—More Coming May 1.

When Mr. or Mrs. Ontario, or their cousins from the Interior or the Beach came to town Tuesday to buy a piece of jewelry, or went to their favorite haberdasher or millinery to get a new hat, they learned that it was their part to help pay the bill that brot an end the Kaiser Bill.

They secured this information from the retailer who told them of the following provisions of the war tax bill, as given out by Milton A. Miller, collector of internal, or internal, as some have called it lately, revenue. This is what Mr. Miller told the merchants, and the merchants told the customers:

On and after April 1st, there will be a tax of 5 per cent upon the sales of all articles commonly or commercially known as jewelry, including precious metals or imitations thereof, and ivory, watches, clocks and opera glasses. This tax is to be collected by the dealer upon such goods when sold to the user, and every store in Oregon handling any of these lines must collect this tax upon all sales made commencing April 1st 1919. In order that a complete list of dealers in these goods may be compiled, all such dealers should send their names to the Collector at Portland, stating the business engaged in.

On and after May 1, 1919, there will be a tax collected from the purchaser of ice-cream, soda water, and such other refreshments of this kind as are served at soda fountains and similar places of business. Owners of soda fountains and ice cream parlors should be sure to have names listed with the Collector at once.

On and after May 1st, 1919, the luxury tax will be effective. This provides that a tax of 10 per cent shall be collected by the dealer from the purchaser on carpets and rugs selling at over \$5.00 a square yard; picture frames, trunks, valises, purses, portable lighting fixtures, umbrellas, fans, smoking jackets, men's waist coats, men's and women's hats, caps, boots, shoes, pumps and slippers, men's neckties and neckwear, silk stockings or hose, women's stockings or hose, men's shorts and men's and women's pajamas, nightgowns and underwear, kimono's, petticoats and waists. Practically every store in Oregon will be affected by this tax, which will apply to all that part of the price from which the goods are sold in excess of the price stipulated in the Act.

On and after May 1st, 1919, perfumes, essences and extracts, dentifrices and similar articles, as well as pills, tablets, powders and other medical preparations, will be subject to a tax of one cent on each twenty-five cents, or fraction. This tax will be paid by stamps affixed to the goods by the seller. Other new taxes are on shooting galleries which will pay \$20.00 a year, riding academies which will pay \$100.00 a year, "for

Worth Trying.
If you are troubled with sleeplessness look to your diet. Drink no tea or coffee for a few days and take one of Chamberlain's Tablets immediately after supper to improve your digestion. These tablets also cause a gentle movement of the bowels. They are unsurpassed for constipation.
