NOTE--We have a few Heavy Hay Racks for sale. See us while they last.

Here's the way  
we look at it

Just for a minute, look at the tire proposition from our standpoint.

We are in the tire business here, to stay. We can remain in business only so long as we please our customers.

Consequently, it pays us to handle good tires—United States Tires.

They're the tires we sell.

They're the tires you should use.

We have them to meet every need of price or use.
