"MAKE IT RIGHT STORES"

A Word About This 12 Store Organization and Its Values

The GOLDEN RULE has grown to be one of the largest mercantile organizations in the Pacific Northwest. We celebrate our twenty-third birthday this month which marks the culmination of 23 years of SERVICE and value giving. This business started in a very small way, but because of the policy of fair dealing and the determination to make the GOLDEN RULE the best and most profitable place to trade, we have grown by leaps and bounds. The GOLDEN RULE way of merchandising brings the most dependable goods to you for less than other stores ask. Our twelve-store buying and cash selling together with our willingness to take a small margin of profit are the big factors in keeping prices down to rock-bottom.
