

**THIS BOY WILL
PAY EVERY DAY**
as long as he lives—will
YOU LEND once more

It's boys like these that are going to PAY in life-long installments for the war.

They are back—thousands of them—their eyes are on YOU now when the Government asks you to lend it money at good interest to pay the bills of Victory.

How shall it look to these fighting men if they see YOU whimper and seek to evade the LOAN OF MONEY to the Government that their blood made secure.
