

For some of us  
the war  
will never  
be over.

**M**AYBE you'll be going to the country in a few weeks to see the green of the new leaves, and maybe, too, you've got tickets for a corking show to-night, where there will be lights and colors and gay costumes and a happy crowd.

Well—perhaps the war is over—for you. But for some of us—

Can YOU rest or work or play or live until you have finished the work we started—before the light went out?

See it through!

It's a big American job.

Unless you finish it up in the old American way the battles we fought over here will have been won in vain.
