WOMAN'S RELIEF CORPS INVITES NEW MEMBERS

Since the Ontario G. A. R. abandoned its organization, as did the W. R. C. and joined with the Payette organization over a year ago there has been little interest manifested here, but an effort is being made to revive it prior to the annual encampment which is to be held at Columbus, Ohio in September.

Mrs. Mary E. Kostenbader of Payette who is correspondent of the W. R. C. sent the Argus the following recently:

This year the National Encampment of G. A. R. and W. R. C. will be held in Columbus, Ohio, beginning Sept. 8, with rates similar to last year.

At the meeting of the Relief Corps, it was decided to hold no special meeting as was done last year, and all those who desire to become members, should see that their applications are in early and also that it takes two meetings to elect. Meetings will be held twice a month, until August. Come early and avoid the rush.

Mrs. H. C. Cleveland and daughter Dorothy of Jamieson spent Monday in Ontario.

LAND OFFICE BUSINESS IS PROPER DESCRIPTION

"Doing a land office business" is a common way of saying that business is rushing, and it applies certainly to the office of Uncle Sam's land officials at Vale according to advises the Argus received this week from Thomas Jones, the registrar.

According to Mr. Jones report for the month of April there were 94 applications for entry under the Homestead, desert, timber and stone and isolated tract laws. These applications covered title to 21,603 acres, all of which goes to show that Malheur county land is in demand that Uncle Sam's title to vast areas is slipping. Likewise it gives hope that in the not distant future there will be thousands of acres on the tax rolls that now are absent thru government ownership. Judging by the April record those who want public land in this county had better get into the game while the getting is good.

Wednesday was Senior Class Day. The exercises were held in the high school auditorium, and the class, amid fitting pomp and ceremony told of its trials and experiments (with the vain hope that next year's class would profit thereby) charged the school to be warned by these sad experiences, and willed to next year's Senior class, all the class of '19's noble qualities and virtues.

To Nourish the Mind

"A Pillow for the Body"

A woman whose expressions are characterized by brightness and tenderness usually possesses a mind refreshed by sufficient sleep. "Sleeplessness means not merely unrest but starvation of the cerebrum," says the scientist, R. Charles Newton. When the brain is nourished by sleep, the mind is alert and the disposition sunny.

The Sealy Sanitary Tuftless Mattress yields sleep which is deep and rich in rest. Its elasticity lends comfort to be had only in the Sealy.

An inventor found that by air-weaving cotton into a pliable but compact batt, a mattress could be evolved without tufts, and the Sanitary Sealy came into being.

A Twenty-Year Sleep Insurance Policy is issued with every Sealy against packing-lumping or spreading and all other usual mattress woes.

The Sealy Mattress, composed of the cleanest of cotton (supreme long-fibred grade) and covered with a winsome material adds a refreshing tone to a sleeping-room.

Drive Circumstances

Don't Let Circumstances Drive You

Before spring work comes on with a rush consult your building needs. When you have decided what you need in the way of building for efficient work on the farm plan to erect them, is our advice.

Don't put this vital matter off another day. Time is creeping. Napoleon's success was due wholly to his fixed habits of always driving circumstances. In toher words always having his plans matured far ahead of his needs.

In no other business is this motto so essential as it is in the BUSINESS of farming. In addition to the necessity for making routine plans the farmer must plan against the element and the vagaries of nature.

THE PROPER INSURANCE AGAINST THE ELEMENTS IS PROPER FARM BUILDINGS CONSTRUCTED IN THE RIGHT WAY, AT THE RIGHT TIME.

We can show you the right way!
The right time is NOW!
