Osborn Millinery**Young Fellow!****One of These Days You'll Wake Up**

and want a waist seam suit and just about that time you'll find waist seam suits are mighty hard to find. There are two buyers for every one of these classy suits as fast as they are produced. M. Alexander, his son Nathan, and our New York representative, Mr. Louis Dobler are all three in New York today — have been there for a month or more. They have purchased waist seam suits by the hundreds. They have come by

express, by parcels post, and by freight, and they have been sold as fast as they have arrived. We are doing our level best to maintain the popular prices of

\$23.50 \$27.45 \$32.50\$

So far we have been able to do it. Remember though and bear in mind that when practically every young man who has been overseas, when every young man who has been in cantonment, and besides every other young man in the United States wants a waist seam suit—and they all want them right now—these nobby suits are going to be hard to get, and the tendency of the manufacturer is to charge more. Today we show fifty of them—Green, Browns, Blue, and Fancy.
