### DISCHARGED MEN WILL GET MORE TRAVEL FUNDS

The Comptroller of the Treasury by decisions rendered April 17 and May 3, 1919, has authorized the War Department to make settlement of all claims for the 1 1/2 cent difference from place of discharge to place of entry into the military service, also the claims for additional allowance to actual bona fide home or residence at date of discharge when such bona fide home or residence can be determined from the affidavit of the soldier and verified by information contained in his original service record. The Zone Finance Officer, Washington, D. C., has been designated to settle these claims with the above restrictions. Applications should be addressed as follows:  
Zone Finance Officer, Lemon Building, Washington, D. C.

A blank form of application, which includes the necessary affidavit for the additional travel allowance, may be obtained from any army recruiting officer, Red Cross, or other agencies organized to aid soldiers. This affidavit must be accompanied by a true copy of the soldier's discharge certificate, certified as such by a recruiting officer, or the original discharge certificate, the latter to be returned with check. While payment will be made on the original discharge certificate, claimants are advised that the use of the copy will eliminate the possibility of the loss of the original. No further correspondence is necessary except in case of change in address.

A certified copy of discharge submitted for payment of \$60.00 bonus and now on file in the Zone Finance Office will be accepted in lieu of other copy of original discharge certificate. Men who have submitted these certified copies will so state when forwarding claim. Payments will be made as expeditiously as circumstances permit.

In the event that the actual bona fide home or residence at date of discharge, as claimed by the soldier, is not the same as stated on his original service record, the Zone Finance Officer will make settlement for the additional 1 1/2 cent per mile on the same basis that the 3 1/2 cents per mile was paid (that is, from place of discharge to place of entry into military service), and soldier may make claim to the Auditor for the War Department for any additional travel pay which he believes may be due him.

Men who have been discharged since February 28, 1919, and paid travel allowances at 5 cents per mile to place of entry into military service, and whose actual bona fide home or residence at date of discharge involved a greater distance, may submit claim to the Zone Finance Officer, Washington, D. C. as above.

It is pointed out that settlement of travel allowance claims can not be accomplished with the same rapidity which obtained in the payment of the \$60.00 bonus. Each claim will require certain verification by War Department records, this to be followed by mileage calculations in the Zone Finance Office. The need for accuracy is obvious, necessitating a specialized office personnel, and it is hoped that this circumstance will not be overlooked by those concerned. Every letter or telegram making inquiry or requesting expedited action will operate to delay these payments, and the public is therefore urged to lend full co-operation with a view to reducing correspondence to the minimum, keeping in mind that it will be several days before blank forms can be placed in the hands of recruiting officers.

For convenience of service men in this section Sam Croem of Alexander's has sent for application blanks which he expects to receive soon.
