### Taking Big Chances.

It is too much of a risk to depend upon neighbors or sending for medicine in case of a sudden attack of bowel complaint. In almost every neighborhood some one has died from cholera morbus that could easily have been saved had the proper medicine been at hand. Then think of the suffering that must be endured until medicine can be obtained. The safe way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy, a preparation that can be depended upon. Buy it now. It only costs 35 cents.
