Ford
THE UNIVERSAL CAR

When you compare the low prices of Ford cars with the prices of farm produce, farm stock and everything else on the market, the great value of the Ford car can be fairly estimated. It is the greatest value, not only among motor cars, but in the whole run of articles grown and manufactured. We urge prospective purchasers to give their orders without delay.

You men are saving every cent you can. You ought to know that this quality tobacco costs less to chew—not more!

You take a smaller chew. It gives you the good tobacco taste. It lasts and lasts. You don't need a fresh chew so often.

Good for Indigestion.

If you are troubled with indigestion take a few doses of Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels. You will be surprised when you see how much better you are feeling after taking a few doses of them.

Taking Big Chances.

It is too much of a risk to depend upon neighbors or sending for medicine in case of a sudden attack of bowel complaint. In almost every neighborhood some one has died from cholera morbus that could easily have been saved had the proper medicine been at hand. Then think of the suffering that must be endured until medicine can be obtained. The safe way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy, a preparation that can be depended upon. Buy it now. It only costs 25 cents.
