LESS MEAT IF BACK AND KIDNEYS HURT

Take a Glass of Salts to Flush Kidneys if Bladder Bothers You.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney diseases.

KELSEY-CURRY

Advised were received this week by Mr. and Mrs. Hugh Allen of the marriage of Miss Wilmoth Curry and Louis C. Kelsey at Pocatello, to which city Mrs. Fanny W. Curry, the bride's mother recently moved to make her home with her son.

This event is of particular interest to Ontario people to whom both bride and groom are well known. Mrs. Kelsey came to Ontario with her mother and sisters several years ago and was for a time a member of the public school faculty. Later she graduated from the Stout Training school at Menominee, Wisconsin, and went to New Orleans where she taught at Tulane university, from which position she returned to Ontario and was employed in various capacities here, last of all as a bookkeeper at the Ontario National bank.

The groom came to Ontario nearly two years ago from Portland, which is his home city, to prepare plans and specifications for the municipal water system and has been here more or less since then. Prior to going to Portland he was for 12 years city engineer of Salt Lake City.

At present Mr. and Mrs. Kelsey are at Jerome, Idaho, but leave this week for a honeymoon trip thru the Yellowstone, and will pass thru Ontario enroute to Portland.

Last Thursday evening at the home of her parents, little Miss Ruth Brittingham gathered a number of her little girl friends to assist her in properly celebrating her sixth birthday. The gathering arrived at the Brittingham home at 7 o'clock and for an hour enjoyed a delightful series of games, after which refreshments were served and the little tots started for home by 9 o'clock, elated over the pleasures of their evening party.

Mrs. E. M. Greig is home again after a week's stay at Payette Lakes, the guest of Mrs. S. D. Dorman. Mr. Greig went to the lakes for the week end and accompanied Mrs. Greig home.

Word has been received that Ray Boyer has landed in the states from overseas, where he has been serving in the army of Occupation. Ray has been in the service 20 months, 12 of which were spent overseas.

Mr. and Mrs. Vincent P. McKenna who have recently come to Ontario to make their home, this being the Eastern Oregon headquarters of the Portland Wool Warehouse company which Mr. McKenna represents in this territory, have entertained a number of southern relatives. Mrs. McKenna's father, R. H. Mann, who was here for some time left Sunday for his home in Dallas, Texas. Mrs. J. A. Costello, and son, and daughter, Miss Josephine of El Paso, Texas, who were guests at the McKenna home last week for Texas as did Mrs. Ben Garner of Dallas, Texas.
