MUSIC IN EXHIBITION HALL IS INTERESTING

Everything From Grand Opera to the Latest Fox Trot and Jazz Music On Continuous Program.

Airs from operas, popular songs, and the best band and concert music are enjoyed by Fair visitors as they pass through the main exhibit hall this year. It is furnished by a battery of five Edison phonographs in the exhibit of the Turner Music store.

Each size and type of Edison machine is included in the exhibit, and a wide variety of records is used by Miss Mary Messer, the demonstrator. Chairs are also provided for the visitors to the booth. The combination of a rocker and a selection from comic opera is proving a very good antidote for the fatigue that comes of tramping around the grounds, for the attendants as well as the guests at the Fair.

FURNITURE EXHIBIT IS AID TO CUPID

Young Folks Look Longingly at Attractive Booth Showing Household Needs From Parlor to Kitchen.

The kitchen, bed room and music room furniture shown in the booth of the Ontario Furniture company in the main exhibit hall at the Fair are tempting, and many are the young couples who pause before it, evidently contemplating matrimony.

From the snow-white, business-Hoosier kitchen cabinet and Colonial range, to the tasteful suite of walnut bedroom pieces and the Brunswick phonographs, every article in Mr. Peterson's exhibit seems chosen with a view to its psychological effect upon the young farmer whose grain and fruit have returned a bountiful harvest.

Just What She Needed.

"I used a bottle of Chamberlain's Tablets some time ago and they proved to be just what I needed," writes Mrs. Volta Bankson, Chillicothe, Mo. "They not only relieved me of indigestion but toned up my liver and rid me of backache and dizziness that I had been subject to for some time. They did me a world of good and I will always speak a good word for them."

URIC ACID IN MEATS CLOG THE KIDNEYS

Take a Glass of Salts if Your Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic tinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a teaspoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink. —Adv.
