

### JORDAN VALLEY HAS ANOTHER GOOD STORY

They do things differently in Jordan Valley. Somehow they have a chic way of pulling their stunts in the Southern metropolises of the county. Their very latest is a "poker party hold-up," with a regular Bill Hart, Doug Fairbanks moving picture setting. This is what the Jordan Valley Express has to say about it:

**An Interrupted Poker Game**  
 "About ten o'clock last Sunday night a poker game that had been running along smoothly throughout the afternoon and evening in an upstairs room at Hotel Jordan was rudely interrupted by a man with a handkerchief over his face and a gun in his hand, who stepped into the room at the critical moment when R. D. Allen of Nampa was raking in a pot of between five and six hundred dollars and demanded the swag. He got it. The visitors participating in the game, R. D. Allen, W. S. Temple, M. J. Rosengrave and S. E. Henderson, the latter as a spectator, bellied so much about the little incident that they called the attention of the town authorities to the shocking fact that a horrid poker game had been in progress, right here in our midst, and on Sunday, too, and the whole bunch was pinched the next morning and haled before the town recorder, who gave them the limit, which was only fifty dollars each. Three of the visitors and four local sports contributed to this jackpot. The visitors contend that the dealer was a party to the holdup and that party is now under bond to answer to the charge. But these same people were positive as to the holdup man, and made a stupid guess. As to the identity of the holdup, public opinion—privately expressed—is practically unanimous. It centers on a man who is supposed to have had considerable experience during the last year or two in interviewing, at

### SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to flush kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it. Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemonjuice, combined with lithia and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble. the point of a gun, transporters of merry Sunnybrook, for whom he is supposed to have laid in wait out on the desert."
