#### Just What She Needed.

"I used a bottle of Chamberlain's Tablets some time ago and they proved to be just what I needed," writes Mrs. Volta Bankson, Chillicothe, Mo. "They not only relieved me of indigestion but toned up my liver and rid me of backache and dizziness that I had been subject to for some time. They did me a world of good and I will always speak a good word for them."

#### ANNOUNCEMENT

A. L. McDowell has his Undertaking Parlors one block north of the Baptist church nearly completed ready for the painters and decorators.

#### BUY FULL GROWN PULLETS

It is advisable, if well matured pullets can be purchased at a reasonable price, to kill and eat the hens as they begin to molt, replacing the flock with newly purchased pullets. The hens should not be killed, however, until they begin to molt and their combs begins to lose its size, color, and flexibility, for if these changes have not taken place the hens will probably still be laying and at a time of year when eggs are especially valuable.

#### BOY EXPECTED, BAH!

**GIRL BABE ARRIVED!**  
Major Milligan suffered a severe disappointment when his wife presented him with a girl instead of a boy, for he had planned on a son to bear his proud name. So they named her Jamesina instead of James, and this was soon shortened to Gemmy. But she proved invaluable finally saved the family from ruin, caught a spy in the textile works and married a young wealthy aviator. Such is the plot, in a nutshell, of Shirley Mason's new Paramount picture, "The Winning Girl," which will be seen at the Dreamland theatre Friday October 3. It is declared to be the most entertaining picture in which Miss Mason ever has been seen. Her portrayal of the role of

Jemmy Milligan, a girl who works in a factory and does her bit for her country, is one of great dramatic strength and highly enjoyable. Niles Welch is her leading man and the support throughout is of the best.

#### HERE'S A HOW D'YE DO! GIRL IS KIDNAPPED AND WEDDED TO A HERMIT!

When a sixteen year old girl is kidnapped by a man she neither knows nor cares for and is forced to marry him and thereafter leaves her husband without even knowing his name, it is to be expected that interesting developments will occur. This is amply proven by the story of "Good Gracious, Annabelle!" in which Billie Burke, the dainty Paramount star, will appear at the Dreamland theatre Saturday October 4.

### HELTER-SKELTER MARKETING UNPROFITABLE TO FARMERS

Frequently advantage is taken of cool weather to kill and dispose of hogs, with the result that the dressed carcasses must be sold on a glutted market, and, being a perishable product, must be disposed of at any price obtainable. For example, which is only one of many, it was observed at a small town in Louisiana during the winter of 1915-16, where each time the weather became cooler 8 or 10 dressed hogs were offered for sale when there was a demand for but 1 or 2. A number of instances have occurred in southern cities where dressed beef ordinarily valued at 7 to 8 cents a pound was sold by farmers for 3 to 4 cents, and dressed hogs valued under ordinary conditions at 8 to 10 cents a pound sold for 2 to 3 cents, because of a temporary oversupply of fresh meats in these towns. The farmers could have avoided these losses by finding a market for their meat before slaughtering, by delay-

ing slaughtering until market conditions were improved, or by selling the animals alive on a good market.

#### BETTER THAN PARK BENCH BED

A little straw or the leaves raked up in the fall about 3 or 4 inches deep should be used on the floor of the hen house. This material helps to absorb the droppings and also provides a means of feeding the grain in such a way that the hens are obliged to exercise by scratching for it.

#### Goes to Synod

Rev. W. P. Cochran of the United Presbyterian church is in Spokane this week attending the sessions of the Synod of the Columbia, of which the local church is a member. On Sunday, October 5, he will give a report to the local church of the action taken at the Synod.

J. H. Forbes of the Boulevard came to Ontario Tuesday to assist in outfitting his son, C. A. Forbes, for college. The young man who recently returned from the service is to be one of the Malheur county boys at Eugene.

**Ford**  
THE UNIVERSAL CAR

The Ford Sedan, with electric starting and lighting system, demountable rims with 3 1/2-inch tires all around, is the ideal family car because of its general utility and refined and comfortable equipment. Finely upholstered. Plate glass windows. An open car in the spring, summer, and early fall. A closed car in inclement weather and winter. Rain-proof, dust-proof. In the city or the country, a family car. The low cost of operation and maintenance is not the least of its charms. Won't you come in and look it over?
