

## JOYOUS MUSIC AT CHAUTAUQUA

Sierra Serenaders Come With Big program on Last Night

The Sierra Serenaders bring splendid, joyous music to the Chautauqua Festival. These charming and talented young ladies have been one of the outstanding successes among musical companies of the East for several years and their appearance on the Western Festivals is of more than ordinary importance. Their programs are of infinite variety; orchestral numbers, readings, songs, instrumental solos, duets, costumed selections. It is an unit company which pleases unusually well. Every number, whether vocal or instrumental, is rendered with finish and musicianship of which great artists are capable.

### SAGE AND SULPHUR DARKENS GRAY HAIR

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darken your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

### Ontario Needs an Athletic Club

It is becoming evident to a large number of the citizens of this city that an athletic club should be organized, so as to furnish athletic activities for the business men and boys. Vale has already organized such an institution, and is meeting with success. It has been suggested by several citizens of the community that if such an organization could be perfected, arrangements might be made with the School Board whereby the High School gymnasium could be

equipped, and used by the students during the day time, the evening being reserved for the members of the organization. Such equipment could be purchased for a comparatively reasonable sum, and there would be little or no expense connected with its maintenance. A meeting has been called to discuss the matter at the City Hall on Thursday, October 15th. All who are interested be sure to attend this meeting, for upon the interest shown then will depend the success or failure of the undertaking.

## When Oregon Goes to Market

### WHEN YOU BUY—

**YOU** can purchase goods made elsewhere and send a part of your money to other sections to be distributed in payrolls for the benefit of those communities. Or you can insist on Oregon Made Products and your money—all of it—will remain in Oregon to increase the output of Oregon factories; to make bigger payrolls for Oregon; to build more homes and better schools in Oregon.

### GLASS OF SALTS IF YOUR KIDNEYS HURT

Eat less meat if you feel Backache or have Bladder trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather

is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate

sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
