### DEATH OF DEAD OX FLAT CHILD SADDENS COMMUNITY

Last Sunday at the Baptist church at Payette services were held for little Phillis, the year old daughter of Mr. and Mrs. Jonas Brown of the Payette-Oregon Slope, and whose death cast gloom and sadness over the entire community, where the family have lived and have been highly esteemed for several years.

The little one was taken sick on Friday and while everything possible was done she seemed too frail to make the fight and finally at 9:45 a. m. the following Thursday she died.

She was an especially bright and loving child, having one of those sweet dispositions so endearing to all and will be missed sadly by the ladies of the club of which Mrs. Brown is an old member.

The many friends of Mr. and Mrs. Brown wish to extend their deepest sympathy, which was in evidence by the very large attendance at church, and by the many beautiful floral offerings.

### HIGH SCHOOL NOTES

Ontario High School football team goes to Weiser Friday with the expectation of adding one more scalp to their string. Every member of the team is in good shape for the game. Coach Boucher has been trying for some time to get a game with Boise High School but they evidently think the local team too much for them.

Thursday morning, November 6, Rev. Cochran of the Presbyterian church addressed the assembly, taking for his subject "How to Study".

Friday, November 7 was Red Cross Day at the High School. Each of the four classes held a meeting for the purpose of securing members for the American Red Cross.

Wednesday morning November 5, Miss Cranley announced to the assembly that we are going to have a Thanksgiving program the Wednesday afternoon before Thanksgiving Day. Each of the four classes will contribute a number, as well as the Boys' and Girls' Glee Clubs.

school report a much better grade of music coming from the building these evenings. It won't be long before Ontario has a real band and orchestra.

Ontario public schools celebrated Armistic day by having a holiday Tuesday, Nov. 11.
