## To All Our Friends and Patrons

- To make 1920 the biggest and best year in the history of Ontario, to mark further progress in community building and community service, these are indeed worthy motives. They can be accomplished only thru the co-operation of business men and their patrons. The success of Ontario's business is due to that continued co-operation which the public has accorded its merchants.

For this co-operation, which to great degree we have enjoyed during the past year we are extremely grateful. We have endeavored to give Ontario the best cafe on the Short Line, to offer our patrons the best service, the most wholesome meals, the finest candies, and confections. We will during 1920 maintain that policy, and try to better it wherever we can.

We trust that we can attain that object and that each of our patrons who has high aims for business success and happiness during 1920 will achieve them, too.

Therefore, here's to 1920.  
May it be the biggest and best year in all our history.

## To Our Friends An Appreciation

In the spirit that makes Christmas time what it is we take this opportunity of expressing thanks to all our patrons for the practical way in which they have co-operated with us during the year just passed. We hope that the New Year will bring for them a full measure of happiness and success.

The prosperity that has visited Ontario and the country that surrounds this city in the Snake and Malheur Valleys during the passed year is evidence enough of the richness of this region. By the continued co-operation of the people that prosperity will be increased. Let us therefore strive to aid each other in every good work for the up-building of this wonderful region.

## To The Ford Family GREETINGS

During the past year, 1919, the Ford Family has enjoyed great prosperity. The members of the clan have been carried over life's highway in the greatest machine that human brain has conceived, and human ingenuity, mechanical skill and organizing ability has built.

There is no measure that can encompass the pleasures that the Millions of Members of the Ford family have enjoyed. The hours of travel have brought health and strength to those who could not otherwise have attained these. It is a pleasure to contemplate what Fords have done. We are happy to have had a part in distributing a portion of that pleasure to the people of Malheur county.

It is our aim to make 1920 still greater than the year that is passing. We appreciate the co-operation that the members of the Ford Family have given in bringing their patronage, and we have tried to merit it by returning Ford Service, to so keep supplied with parts that the pleasures and uses of Ford cars need never be postponed. Where it is possible, our services will be bettered. This is our aim, and while expressing it, we want to extend our best wishes to all the Ford Family and friends, for a Merry Christmas and Prosperous New Year.
