

**LOCAL AND PERSONAL**

The Oregon club added to the festivities of the holiday season by playing the host for two of the prettiest dancing parties given in Ontario since the war, or before that time, for that matter. They opened the season with their invitation number Christmas night, which was attended by the largest number of dancers ever accommodated by the hall. And the hall itself was one of the features of the gathering, for the young men had taxed their ingenuity and decorative powers to lend color to the gathering.

Last evening the club gave its second dance to permit of the proper welcoming of the youthful 1920. It was a repetition of the Christmas eve success.

**LOCAL AND PERSONAL**

In all there were 107 couples present, beside the Oregon club men and their partners. Many of the dancers were guests from out of town, and of course there was an unusual number of college boys and girls among those present.

Mr. and Mrs. Kelso Newman of Jerome, Idaho, were in Ontario Saturday visiting friends. They came down from Vale with Mrs. Newman's parents, Mr. and Mrs. George Vanderhoof.

M. D. Kelly of Jamieson, who used to be one of the County Court and is glad that he is no longer, spent Saturday in Ontario. With his daughters he was registered at the Moore

**The Restaurant that is Different**

That is what the Blue Bird is. It is the kind of restaurant that men and women who must eat away from home most of the time like to know about. And the reason for this is, our

*Home Cooked Food Prepared by women cooks, who know what home cooking really is.*

A family dinner at the Blue Bird will be enjoyed by all the family. You, Mr. Husband, will know that "friend wife" is enjoying herself, having a day's vacation, that the kiddies are enjoying the change, and that you are all getting good wholesome food, thoroughly cooked under sanitary conditions, and served carefully.

**Bread Prices Rise**

*Because of Increased Cost of Materials*

We had hoped to keep bread prices down. We had hoped that the many attempts on the part of the government to reduce the cost of living would materialize ere now, and that instead of an increase, a decrease might be made, But

Flour and Other Materials used in Bread and Pastry have gone up, as every Housewife knows, therefore

From and after January 1, 1920, until further notice, a

One Pound Loaf of Bread will cost 13 cents, or 2 for 25 cents. Other Bakery Goods will rise in proportion.

Moreover it will be necessary for us to establish and maintain a strictly "CASH" basis for purchases
