Out from the far places he comes, bringing with him the matchless treasure of his long labor.

Up from the South with "THE BIRTH OF A NATION," the most popular dramatic entertainment ever created.

Then from Babylon and glorified Palestine with "INTOLERANCE," the mightiest spectacle man ever has conceived.

Last from the Fields of Flanders with "HEARTS OF THE WORLD," the epic of the war made for the French and British Governments.

And now, from London and China, DAVID WARK GRIFFITH brings for its showing to the world

## "Broken Blossoms"

As startling an advancement in the cinema art as were the other triumphs of this world genius.
