**GET THAT LAWN MOWER OUT AND GET IT REPAIRED NOW.**

The old saying, "A stitch in time, saves nine," is true, as every housewife knows but the fact is lost on the head of the family most of the time, especially in regard to the implements that he has around the house.

Take the lawn mower, for instance—that busy little instrument that keeps your yard clean. You can not see the Civic Betterment contest with a dull lawn mower, you know that and we can fix it for you. Bring it in now—no other piece of machinery that is out of order.

**HUNGER KNOWS NO ARMISTICE**  
NEAR EAST RELIEF

This picture, painted especially for the Near East Relief by M. Leone Bracker, vividly portrays what words fail to express—the horrible suffering of the women and children of Armenia and adjacent countries. Peace has blessed Europe and America for more than a year but in Western Asia conditions more frightful than any war time experiences of the martyred populations of Belgium and France still exist. Thousands of women and children escaped massacre by the Turkish soldiers only to face the terrible agonies of death by starvation. At the present time it is estimated that 1,250,000 adults and fully 250,000 orphaned children are completely destitute and in imminent danger of death by starvation and exposure.

The Near East Relief, 1 Madison Avenue, New York, is at present the only organization giving aid to these suffering people and lack of funds still prevents the reaching of more than a small part of the stricken people.
