

Advance Showing of Spring Millinery

We are showing some very attractive hats for immediate wear. They are very clever styles and beautiful materials, in satins, taffetas, georgette and braid combinations. All the newest touches in trimmings are shown such as, raffia and silk embroidery, beaded designs and jaunty stick-out bows. These hats are very distinctive and give the finishing touch to the New Spring Suit or Coat.

We would be pleased to have you come in and see these hats and try them on.
