GET THAT LAWN MOWER OUT AND GET IT REPAIRED NOW. The old saying, "A stitch in time, saves nine," is true, as every housewife knows but the fact is lost on the head of the family most of the time, especially in regard to the implements that he has around the house.

Take the lawn mower, for instance—that busy little instrument that keeps your yard clear. You can not see the Civic Repair shop unless you have a dull lawn mower; you know that and we can fix it for you. Bring it in now—see any other piece of machinery that is out of kilter.
