

GREAT DAIRY HERD WILL BE AUCTIONED

Inability of Dr. E. S. Fortner to Secure Help For Dairy Ranch Necessitates Sale of Fine Stock

Dr. E. S. Fortner has decided to sell his great herd of registered dairy cattle upon which he had planned to build one of the finest Jersey herds in Eastern Oregon. The sale will be held at the Fortner ranch on Monday March 8 under the direction of H. H. Tunny, with Col. Miller of Caldwell acting as the auctioneer and A. L. Coekrum, clerk.

Announcement and details of the sale will be found on another page of this issue, with the pedigree and number of the stock offered.

CUSTOMER DECLARES HE IS SATISFIED WITH WORK DONE

The following communication to the Argus from A. P. Gibson of Nyssa is self explanatory: "To the Editor of the Argus: In the last issue of the Argus appeared an article entitled 'Chicken Raisers Have Been Victim of Fraud.' I am indeed pleased to state that I was one of the first 'victims' of the party to whom you apparently refer; that is, Mr. C. E. Heagy, who is a representative of the State Poultry Association, Incorporated. Mr. Heagy was kind enough to call my flocks for me and took my order for some Standard Poultry Spray.

"Since then I have learned to realize the value of the information given me by Mr. Heagy and can fairly state that this information has proven to be of great value in the way of culling a flock, caring for the young chicks and fixing up for proper care of the laying hens. The medicine has done all Mr. Heagy said it would do and I am getting many more eggs than I ever got before from the same number of hens.

"Respectfully yours, A. P. GIBSON." The Argus has no quarrel with this alleged association, except this, that it gets the attention of the people by the use of the word "association," when in reality it is but a private business concern. It is perfectly legal to so use this word but it is not the commonly accepted meaning. The average individual thinks of the word as meaning an organization of persons gathered together to promote mutual benefits and not for private profit. This alleged association may be doing all that it claims to do. It may be selling real value to the poultry raiser, but we submit that it is doing so under false pretenses in that it is purporting to be what to the ordinary mind it is not.

NOTICE OF HEARING. Vale, Oregon, February 16, 1920. NOTICE IS HEREBY GIVEN, That the following petition praying for the organization of the "FAIRMORE IRRIGATION DISTRICT," will be presented to the County Court of Malheur County, Oregon, at a special meeting of the said Court, duly called to consider and act upon the same, at the Court House and in the room of said Court, at Vale, Oregon, on the 22d day of March, 1920, at 11:00 a. m. (C.C. Seal) A. M. MOODY, County Clerk, Malheur County, Oregon.

IN THE COUNTY COURT OF THE STATE OF OREGON, FOR MALHEUR COUNTY. IN THE MATTER OF THE ORGANIZATION OF THE "FAIRMORE IRRIGATION DISTRICT." PETITION FOR THE ORGANIZATION OF THE FAIRMORE IRRIGATION DISTRICT. TO THE HONORABLE, The County Court for Malheur County, Oregon. We, the undersigned petitioners, respectfully show and petition to your Honorable Court as follows:

1. That we are and each of us is a bona fide legal owner of land within the boundaries of the proposed irrigation district as hereinafter set forth and described and that together we own more than fifty per cent of the acreage and number of acres, susceptible of irrigation within the boundaries of said proposed irrigation district.

2. That all the land within the boundaries of the said proposed irrigation district as hereinafter described, is susceptible of practical irrigation from the same source and by the same system of works or same pumping plant and by means of which it is proposed to take water from the Snake river by means of pumps and motors for the irrigation.

3. That our petitioners desire to and do propose to organize an irrigation

district under the irrigation laws of the State of Oregon, Chap. 357, page 743, Laws of 1917 and the Acts amendatory thereto, for the purpose of furnishing water for the irrigation of the lands within the boundaries of said proposed district.

4. That the boundary lines of the said proposed irrigation district and including the lands which it is desired to have included within said district, are as follows, to-wit:

Commencing at the SW corner of the NE 1/4, Sec. 19; thence east to the SE corner of W 1/2 SE 1/4 NE 1/4 of said Sec. 19; thence north to the NE corner of the W 1/2 SE 1/4 NE 1/4 of said Sec. 19; thence east to the SE corner of NW 1/4 NW 1/4, Sec. 11; thence north to NE corner of SW 1/4 SW 1/4, Sec. 2; thence west 100 rods; thence north to the north boundary of the NE 1/4 SE 1/4, Sec. 3; thence west to NW corner of SE 1/4, Sec. 3; thence south to the place of beginning, containing 270 acres, more or less of irrigable land, all in T. 18 S. R. 47 E. W. M. in Malheur County, Oregon.

5. That all of said lands have, heretofore, been attempted to be irrigated from an insufficient and unsatisfactory system, but owing to the insufficiency of the system, lack of repair and capacity and the fact that

the lands herein sought to be included in the proposed irrigation district are situated on the lower end of the old system—the same being a joint stock company or corporation, and across a fill and with insufficient grade, profitable results cannot be obtained and the lands included in said proposed district cannot be adequately irrigated.

WHEREFORE, Your petitioners respectfully ask that this Honorable Court make and enter its order here in, organizing said proposed irrigation district and that the name of the said proposed irrigation district be the "FAIRMORE IRRIGATION DISTRICT."
