

WHITMAN GLEE CLUB TO SING TOMORROW

Afternoon Concert to Be Given by Famous College Organization—Plenty of Variety Offered in Readings and Jazz Music.

Thanks to the energy of the members of the Junior Class at the High School, Ontario will be visited tomorrow by the Whitman College Glee club of Walla Walla, Washington.

The collegians will give a concert tomorrow afternoon at Dreamland and with it introduce the citizens to the latest in college pop, the college jazz orchestra, songs, recitations and stunts, such as only college glee clubs manipulate.

The young men have been touring Idaho cities and have made a decided hit in their tour, so that those who enjoy a real concert with plenty of variety, including good singing and monologues have a treat in store for them.

PEDDLERS BUSY NOW FLEETING RANCHERS

(Continued from page 1)

ed at O. A. C. are guaranteed to be fresh and to contain the largest possible number of living, virulent bacteria, grown on nitrogen-free media in order to make them take their nitrogen from the air. Other than this the so-called 'breeding-up' of bacteria is all humbug.

"(3). No man can 'guarantee' favorable results from 'pure culture' inoculation. It is an experiment and if the soil happens to be lacking in this particular kind of bacteria it will probably be a benefit if properly applied. If the bacteria are already there, inoculation is useless; it is like adding a little water to the ocean.

"(4). It is not known how long the bacteria will live in the soil when no legume is grown, but after five years with it it is recommended that inoculation be practiced. If the bacteria are in the soil as shown by the presence of nodules on the roots, no amount of inoculation will do any more good.

"(5). We are recommending the use of larger amounts of inoculating material on the strength of later experimental evidence. The amount now recommended for two acres is more than we formerly recommended for fifteen acres, and much larger than the commercial cultures. These bottles sell for fifty cents each postpaid, or the equivalent of twenty-five cents per acre. We put the cultures up in two acre sizes only.

"Summing up—The O. A. C. cultures are as good as any in the market and larger for the amount recommended than any of the commercial cultures we have seen. There is no comparison between 'breeding up' live stock and inoculating bacteria—they are already 'bred up'. Many soils do not need inoculation. If the soil is well drained and not acid, but still will not grow leguminous crop, then inoculation may help. No one has any right to claim more for inoculation.

"Since inoculation of legumes is still experimental, the Department of Bacteriology at O. A. C. is prepared to furnish inoculating bacteria to the farmers of Oregon at cost. The facilities for handling this work are greatly improved so that orders can be filled promptly. It is expected that the farmer will leave a small plot uninoculated as a check will report results to the end of the season. The county agent can be a very important factor in helping us to get this data.

"LET'S GO," PLEASING MUSICAL COMEDY COMING ON APRIL 14TH

J. M. Sheesley brings to the Dreamland April 14th only his latest offering, "Let's Go," with a cast headed by Gertrude Hutchison, late star of the "Merry Widow," "Chocolate Soldier," Boston Grand Opera, etc., supported by a company of sixty or more, including William H. Malone, W. T. Chatterton, Billy Whelp, G. H. McWilliams, Dell Evans, Elizabeth Fox, Antonette Roethe and a couple score of dancing, singing, best looking girls that ever signed an equity contract.

SURE

"Let's Go"

ONE DAY ONLY!
Wednesday, April 14th

The action of the play takes place in a New York apartment hotel and the story is about two men who strayed away from the family radiator and are caught in a raid at Jack's. Altho innocent, they cannot convince anybody—particularly two wise(?) detectives until the detectives are handcuffed themselves. There is the wife who remains wife but who is trying to help make matters worse. In fact, it's a roar from curtain to curtain—with just enough music woven into the plot to make it a snappy musical show.

OREGON LIFE MAN IS BUSINESS OPTIMIST

H. C. Schuppel of Baker, Formerly of Ontario Sees Prosperous Year For Oregon in 1920—Makes Regular Call.

H. C. Schuppel, district agent of the Oregon Life Insurance company with headquarters in Baker, but whose territory includes Baker, Grant, Malheur and Harney counties is in Ontario this week on one of his periodic visits.

"Yes indeed Oregon is going to have a prosperous year," says Mr. Schuppel. "Why do I think that, why because the life insurance business is one of the most certain of business barometers. And our business is good.

"Last year our company wrote six and a half millions of dollars worth of insurance to Oregon people, and the start made this year makes certain that that figure will be bettered this year.

"Then there is a demand for investments showing that business is expanding. We know this because all of our investment funds are invested in Oregon securities expect that set aside for Liberty bonds.

"While there is somewhat of a cry heard now of a shortage of moisture for this year, the general outlook in Eastern Oregon is good. The grain in all of the sections where it is extensively raised is doing well, for the fall rains and snow gave it a good start.

COUNTY CLUB LEADER WANTS CANNING CLUB

(Continued from page 1)

ports that work on Lesson 1 is almost completed.

The U. S. National bank and the First National bank are lining up members for their Pig Clubs, and the organization of these clubs will be completed next week with the assistance of Mr. Allen, State Live Stock Club Leader.

Calro Sewing Club
The Calro Sewing Club has held its organization meeting, and plans for the year's program are being worked out by the leader, Mrs. E. P. Conklin, and the girls.

Who Will Be Champion?
Who will be State Champion Corn Club boy this year? Malheur county has produced the State Champion for several years, and must keep up its record this year. Corn clubs will be organized soon, and it is hoped that many will get into the game and raise one or more acres of corn.

"Raise, raise, raise a pig.
Uncle Sam needs meat.
Merrily, merrily, cheerily, cheerily.
Oh, the work is sweet."

So sing Pig Club Members, but not all Pig Club pigs become just meat at the end of the year. Many pure bred pigs are raised by Club members who are doing their part in Live Stock Improvement Project of the Farm Bureau.

CITY LOTS AND HOUSE in Ontario for sale, including lots 18, 17, 15, 19 and 29 in block 48 on Third ave., S. W. Bargain for one who wants building lots or house. See Mrs. Mary E. Curry. 315-18-21

NOTICE OF FINAL SETTLEMENT.

NOTICE is hereby given that the undersigned joint administrators of the estate of James G. Fretwell, deceased, have filed in the county court of the State of Oregon for the County of Malheur, their final account of their administration upon said estate, and that Saturday, the 1st day of May, 1920, at the hour of 11 o'clock A. M. of said day, at the court house in Vale, Oregon, has been duly fixed by said court as the time and place for hearing said final account and settling said estate. All persons interested in said estate are hereby notified to appear at said time and place, and file their objections in writing, if any there are, to said final account, and contest the same.

Done and dated and first published this 1st day of April, 1920.
FRED J. PALMER, and SAMUEL B. FRETWELL, Joint Administrators of the Estate of James G. Fretwell, Deceased.
First publication April 1, 1920.
Last publication April 25, 1920.

SOUTH END OF COUNTY NOW HAS FARM BUREAU

(Continued From Page 1)

On the trip into Jordan Valley, County Agent Breithaupt visited the Harper, Creston, Crowley, Cord, Rome and Ruby neighborhoods and came back by way of Adrian. The people of the Creston, Crowley and Cord communities are so apart that it would be difficult for them to have Farm Bureaus but they should join the county organization in order to get the benefits of membership. In the Rome community considerable interest was manifested toward forming a local Bureau and it would be possible to have an organization at that point. The Ruby settlement will also likely wish to organize before many months. Organizations might be perfect at the Harper-Westfall section, at Ironside and at Juntura for the Juntura-Riverside-Boulah country.

ROYAL ARCH MASONS PLANNING CEREMONIAL

Members of the Royal Arch Masons lodge here are planning on a big time here tomorrow night when a ceremonial session will be held at which three novitates will be given the Royal Arch degree.

In honor of the occasion a big delegation of R. A. M. members from Vale, Payette, Weiser, Nyssa and other points are expected and a banquet will be served following the initiation. Since this is the first big doings the R. A. M.'s have held in some time they expect to make the most of it.

ROBBERS MAKE RICH HAUL AT GOLDEN RULE

(Continued From Page 1)

clothes they secured the trousers of one suit and the coat and vest of another.

The thieves were not of the common herd. They scorned the flannel and wollen shirts available and helped themselves to eight silk shirts took fine gloves, hosiery and watches, and then to make the deal complete appropriated three suit cases with which to carry their plunder away.

Three men with suit cases were seen to board an early train Monday morning but as yet no trace of the missing goods has been found.

J. T. McNulty received word yesterday of the death of his brother, William McNulty, at Wichita, Kansas.

Mrs. Elmo Pearson of Weiser spent Wednesday in Ontario the guest of her parents, Mr. and Mrs. Frank Rader.

Superintendent of Schools H. P. Lewis attended the conference of Eastern Oregon school superintendents at LaGrande last Saturday.

LAND TRANSFERS MANY ON OREGON SLOPE THIS SPRING

Home Building Also Prominent in Life of Hustling Community—New Land Owners Arriving—Easter Service Planned.

(Special to the Argus.)

OREGON-SLOPE, March 30—This year promises to be a record breaking one in real estate transfers and home building. Numerous changes have been made at interesting figures which prove the fact that people from all parts of the country see and appreciate the great future of this part of Oregon. Larger and more efficient water facilities are being installed by companies and by private owners to supply the necessary demand of the added new lands recently prepared for irrigation.

One other great factor fast looming into prominence is the growing of sugar beets, which has been demonstrated successfully here, and a little time is all that is necessary to make this one of the standard crops. The sugar industry will be the source of attracting many people to this land of rich opportunity.

Mrs. Jas. Bartshe of Caldwell is visiting this week with her son, John Bartshe, and family.

G. J. Wyard of Seattle arrived Saturday for a short visit with his sister, Mrs. S. J. Simpson, and also to look over the land in this vicinity. Mr. Wyard and L. L. Culbertson purchased 266 acres in the Crane Creek country which they will equip for immediate work.

Mr. Johnson, a stockman, purchased the ranch lately occupied by Lee Brown for \$25,000 and Chas. Hur sold his 20-acre tract this week for \$5000.

S. J. Simpson was seen driving a fine Willis-Six this week.

Don't miss the special Easter program at the Park school house; regular Sunday school at 1 o'clock, Easter program at 2. Everybody cordially invited.

Porter Boals is constructing a very modern small bungalow for the home of his foreman, an ideal way to combat the labor problem.

Horace Joseph left last week for Seattle to attend the funeral of a cousin.

Miss West and Miss Glatt spent the week end at Boise, visiting friends and shopping.

Ernest Fitzgerald, brother of Mrs. Orr Wilkins, arrived from Portland last Tuesday. Mr. Fitzgerald is taking a vacation after four years of railroad work, and plans an indefinite visit.

Mr. Bartwell, who is recently from Canada, and father of Mr. Gillipie of Moores Hollow, suffered an attack of paralysis last Thursday. At present he is recovering nicely.

The four children of Mr. and Mrs. Cheek, now living on the Lee Brown place, are enrolled at the Pioneer school.

LESLIE J. AKER IS DELEGATE CANDIDATE

Local Attorney Would Serve Democrats at San Francisco Convention—Present Program, and Is for Bryan for President.

Leslie J. Aker, who has been a resident of Ontario and a practicing attorney in Malheur county for the past ten years, has announced his candidacy for delegate to the Democratic National Convention at San Francisco, on the following platform:

"I believe in the endorsement of the splendid achievements of the Democratic party and Woodrow Wilson, its standard bearer and leader during eight years of the most trying and turbulent times in the world's history; the masterful and upright diplomacy utilized, bringing peace and justice to millions of enslaved people; the efficient conduct of the war, bringing early peace and victory to American arms; the progressive legislation enacted, including woman's suffrage and prohibition, rendering America the most prosperous and harmonious nation on earth. I also believe in the progressive principles advocated by Williams Jennings Bryan, the great Commoner, whom I believe the rank and file of the Democrats and common people in general will draft into service as the next candidate and incumbent of the Presidency."

TOO LATE TO CLASSIFY.
