MR. JIGGS AND MAGGIE WILL CAVORT AT WEISER ON APR. 22

The perennial cartoon comedy, "Bringing Up Father," which will be seen at the Wheaton Theatre, Weiser, is an established institution as far as genuine laughter is concerned. This season the popular newspaper comic, "Father," will be seen in a brand new play involving

enough fun to stock up a rib-ticking trust of unusual proportions. As in former seasons Gus Hill is sponsor for the latest series of the ever-green "Father" concoctions which have been a source of infinite joy and happiness to millions of theatre goers. This year the astute manager, who was the first to see the value of newspaper cartoons as stage possibilities, has done exceptionally well by the world famous George McManus creations. The new offering is in three acts and replete with snappy and catchy music, bristling lines, pert and flippant dialogue, lingering song, pretty girls and a clever and competent company of thirty odd people. One of the features of the production is the chorus aptly described by one critic as "beauty from the Garden of Paradise." Matinees as usual.

### Summit Shirt

Long ago, we realized that there is as much difference in shirts as there is in men. We found that a shirt must have "character"—that intangible something that makes you feel, without knowing just why, that here is a shirt that is right. Summit Shirts have that necessary combination of style, fit and careful workmanship that gives them character. The man who works with his coat off should ask his dealer for Summit Shirts.
