Mr. J. E. Silta in charge whom you will find to be a groceryman experienced in his line and appreciative of your patronage.

The Moore Grocery

Electric Ranges

Cook With Greater Ease and More Efficiency

Just turn the switch to the degree of heat you want to use—low, medium, or high—in oven, broiler, hot plates or cooker, and the work of kindling the fire is done.

Na smoke, soot or disagreeable vapors to make the air in your kitchen unhealthy. No flame to absorb the oxygen and heat the kitchen; no fuel or ashes to bother with—that is what it means to cook by electricity.

The cleanest, healthiest, most efficient way of cooking that has been devised. There are many things to appeal to you about an Electric Range that we will explain when you call.

We Do More Than Help You Load Lumber

We're sure to have the proper stuff when you drive in for a load of building materials, for we take pride in maintaining our standing as Lumber Merchants.

But as Lumber Merchants we can render a service that gives a much broader meaning to the name. Our knowledge of materials, and our close association with building problems, enable us to be of help to every man who makes a small repair or puts up a new barn.

Stop in at the office the first time you're down this way and let us show you the effort we make to be help to the city man and farmer, in all sorts of building problems.

We have an Architectural Department which will draw plans and lay out specifications for you that mean the most economical use of lumber. Our Crop Department will give you advice on almost any farm problem.

Call on us for this service—it is absolutely free.

THE life, the value, the beauty of your home, depend on the care you give it. Weather-beaten and warped siding, cracks and open joints are forerunners of decay. Many property owners neglect to look for such signs, judging their houses and buildings by general appearances only.

It is good business to make regular inspection of your property, and to use paint of good quality, which is the surest preventive of decay.

Through the varying conditions of weather in all their extremes, FULLER Paint has proved both its preservative and beautifying qualities—a Pacific Coast Product.

71 years of paint manufacturing experience are back of every brushful of FULLER Paint.

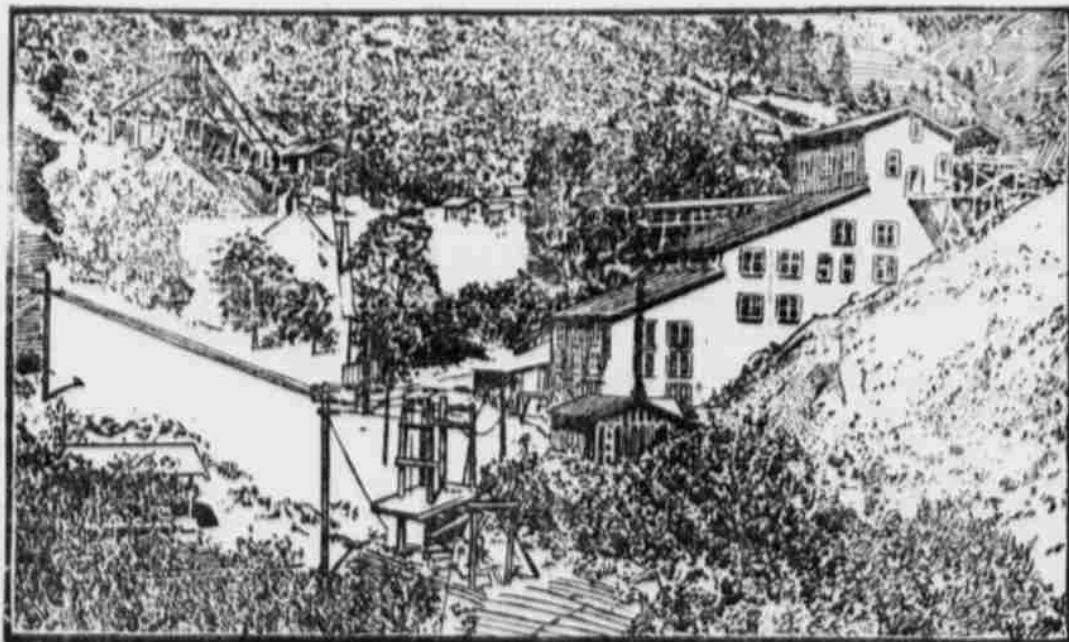

Be fair to Malheur County. Construct its roads and develop its resources. Vote for Julian A. Hurley for State Senator.

Let the auto licenses built roads now—not ten years hence. Vote for the increase limitation. Oregon needs good roads and needs them now.

—Adv. 351-24-24.
