**CLASS OF FIFTEEN ENDS WORK AT FRUITLAND HIGH**  
Graduates Have Busy Week Preceding Close of School—O. S. L. Station Restored To Ground Sunday Evening—Packing Houses Saved.

Fruitland, May 21.—The Fruitland High School Commencement exercises were held in the High School Assembly room Thursday evening, the 20th, and fifteen more graduates were added to the High School Alumni roll. Mrs. Clara Sikkett gave the salutatory address and Miss Dolly Brown was valedictorian. Miss Katharine Madson sang a solo. The Commencement address was ably given by Dr. Boone, President of the College of Idaho. The Assembly room was filled for the occasion, many out of town people were there for the occasion. Friday evening, a reception was given for the members of the Alumni Association. Since 1913, when the first Commencement exercises were held for the Fruitland school, when there was one graduate, Mrs. Paul Crider of Toledo, Ohio who was present at the Alumni reception, there have been 113 graduates of the Fruitland High School.

The O. S. L. Depot at Fruitland burned to the ground Sunday evening and only with heroic efforts were the packing houses and other business places saved from destruction. The alarm of fire was given about eight-thirty and the churches were dismissed and hundreds of people gathered and by much work bucket brigades were formed from the Farmers and Neide ditches and water poured on the Association building which caught fire several times only to be put out. The station could not be saved. Barrels of oil and gasoline exploded on the platform. Very little of the contents inside were saved. It is not known how the fire started. It was fortunate for Fruitland that there was no wind, that the ditches full of water were nearby and that it was Sunday evening when so many were on hand to give aid.

Mr. and Mrs. Arthur Colwell and two sons of Boise, came down Tuesday to attend the exercises commencement week and to witness the graduation of Mr. Colwell's sister, Bethel, and of Mrs. Colwell's brother, Frank Kinnison. They returned Saturday morning. Mr. Colwell accompanying a load of goods with Mr. Puchert and Mrs. Colwell and children returning by train. Mr. and Mrs. Colwell have purchased lots and are building a modern bungalow at Franklin a suburb of Boise, where Mr. Colwell is surveying the Franklin school.

M. Puchert, Frank Thompson, L. H. and Frank Rich went to Lake Lowell Sunday on a fishing excursion.

Mrs. Guy Thompson arrived Monday morning from Los Angeles, called here by the death of Forrest Wilfong. Mrs. Thompson is the only sister of Mr. Wilfong.

Mr. and Mrs. Lee Wilfong and son came down from Emmett Friday, called by the death of Forrest Wilfong. They returned to their home Sunday and came down Monday for the funeral.

Mr. and Mrs. W. A. Colwell entertained Friday evening in honor of their daughter, Mrs. O. C. Stout of Seattle, and Mr. Arthur Colwell and family of Boise. The guests were Mr. and Mrs. H. B. Kinnison and family, Mr. and Mrs. M. Puchert and daughter, Mrs. Hendrix, Mr. and Mrs. Jones, Mr. and Mrs. Arthur Colwell and sons, Mrs. Stout, Mr. Frank Kinnison, Mr. and Mrs. A. H. McConnell and daughter Nellie.

Wednesday evening of this week about thirty of the neighbors and friends gave a surprise for Mr. Howard Manser at the home of Mr. and Mrs. William Ruert. A splendid time was had.

J. W. Tackett is driving a new Columbia Six. Mrs. Mary Burnett has a new Oakland Six. Mr. J. H. E. Wilfong has a new Oldsmobile truck.

Mr. and Mrs. J. W. McGee have gone to Nebraska and other eastern cities for an extended visit.

Word has been received from Mrs. Louise Ward who was operated upon in Mayo Brothers Hospital that

she is recovering rapidly, is out of the hospital and before many days will be started for home.

The Fords are ahead of the Wheelbarrows in the C. E. Contest.

Mr. and Mrs. William Hollenbeck and Robert and Mrs. Bena were dinner guests at the M. Puchert home Sunday.

M. Jolly is recovering rapidly from his serious illness of last week. His son, Harry, and wife, arrived from Trenton, Missouri. Mr. Harry Jolly

will remain for the summer and Mrs. Jolly returned to be with her mother who is seriously ill in Missouri.

George Childs has moved his residence north of its former location and is adding porches and rooms to it and when finished will have a nice modern residence.

C. C. Sikkett has his house up on the place recently purchased from George Gleim and when finished will be a neat and modern home.

**Why Friday's audience at The Dreamland was so completely mystified. Marie Morrisey was inside the phonograph in all excepting physical presence**

After first reading, the story of the New Edison's performance Friday evening May 14th at Dreamland Theatre seems fraught with mystery.

But the explanation is simple enough.

First, get the picture of what happened. Miss Morrisey sang "Dost Thou Know That Sweet Land." She stopped after the first few lines, but her voice flowed on without a break. No one even noticed she had stopped—until some eyes, keener than the rest, saw her lips were still. It was only then that realization dawned. The audience found it had been listening to the New Edison.

To every ear, the two voices, living and RE-CREATED, had been without a shade of difference.

That was what so mystified the audience. They had expected the RE-CREATED art to betray its phonographic origin. It was a step too advanced for their comprehension that this instrument should be all that Miss Morrisey is, excepting her physical presence.

## The NEW EDISON

"The Phonograph With A Soul"

This extraordinary proof is the only means through which people learn to appreciate the true powers of the New Edison. If you are interested in music, it is indeed unfortunate that you were not present.

Yet you know this is a test which no other phonograph dares to attempt. It is proof that no one can evade or deny. The New Edison\* is the only phonograph which RE-CREATES music and the soul of music. Come and hear it for yourself.

\*The instrument used in Friday's Tone-Test is the regular model which sells for \$295 (in Canada \$431). It is an exact duplicate of the Laboratory model which Mr. Edison perfected after spending Three Million Dollars in experiments.
